Larry,

I'm really glad that I had the honor of having you in my History class this year. Really, truly, honestly, I think you're very funny and I always laugh at your jokes even if no one else does.

Good Luck in all that you do and have a great Senior Year.

Love,

Becky Staub

Larry

I can't really say that it's been a grand year in Algebra 'cause it hasn't been. But I'm looking forward to another year of said course next September. By the way, I have two complete sets of Trig HS homework assignments and an occasional test or two. I might be able to work up a final for you. It's all in the business, you know. I'm looking forward to reaping great profits next year.

See you then,

Randy

Light surrounds us all of our life. Even in the darkness, the Pleiades and other stars surround us in their celestial arms. Through the stars and their phases we see our lives in perspective. The cycles through which they travel are the same cycles we go through, day by day, year by year, life by life. Each of these days, years and lives has a beginning, an awakening, a struggle, and finally an end. This is our life at Fullerton Union High School. As freshmen we played, as sophomores we began to grow, as juniors we worked hard for that grade point average and as seniors we strove to gain one last bit of knowledge before leaving our bright spotlight at F.U.H.S. and entering the shadows of the universe.

And so, it seems fitting that we have chosen the seal of the Pleiades to exemplify the 1966 Annual PLEIADES, and have arranged the book in a chronological pattern to follow the phases of school life.

Principal

A familiar sight at many of our sports activities was Mr. Cruickshank. He showed his interest in the students and their activities by attending many of the student activities. He was always a part of the school and its activities, out of the office for numerous student gatherings. Our campus policy of student responsibility for student actions was stimulated by our principal's keen desire to develop good leaders and citizens.

Counselors

"Please change my first period P.E. class." "Algebra II is too rough." "I need a studyhall." These are just a few of the many complaints and problems that the counselors listened to regularly. They tried hard to help any student who came to see them. Without the work of the counselors, the entire student body would have worked less efficiently.

Believe it or not this is your faculty. Have they changed much? Are you able to recognize your favorite personalities? You have to admit that the permission to print these pictures took a lot of courage and bravery on the part of our older acquaintances. So to them we give our thanks for these few moments of quizzical reflection on the fact that they too were once high schoolers.

Teas

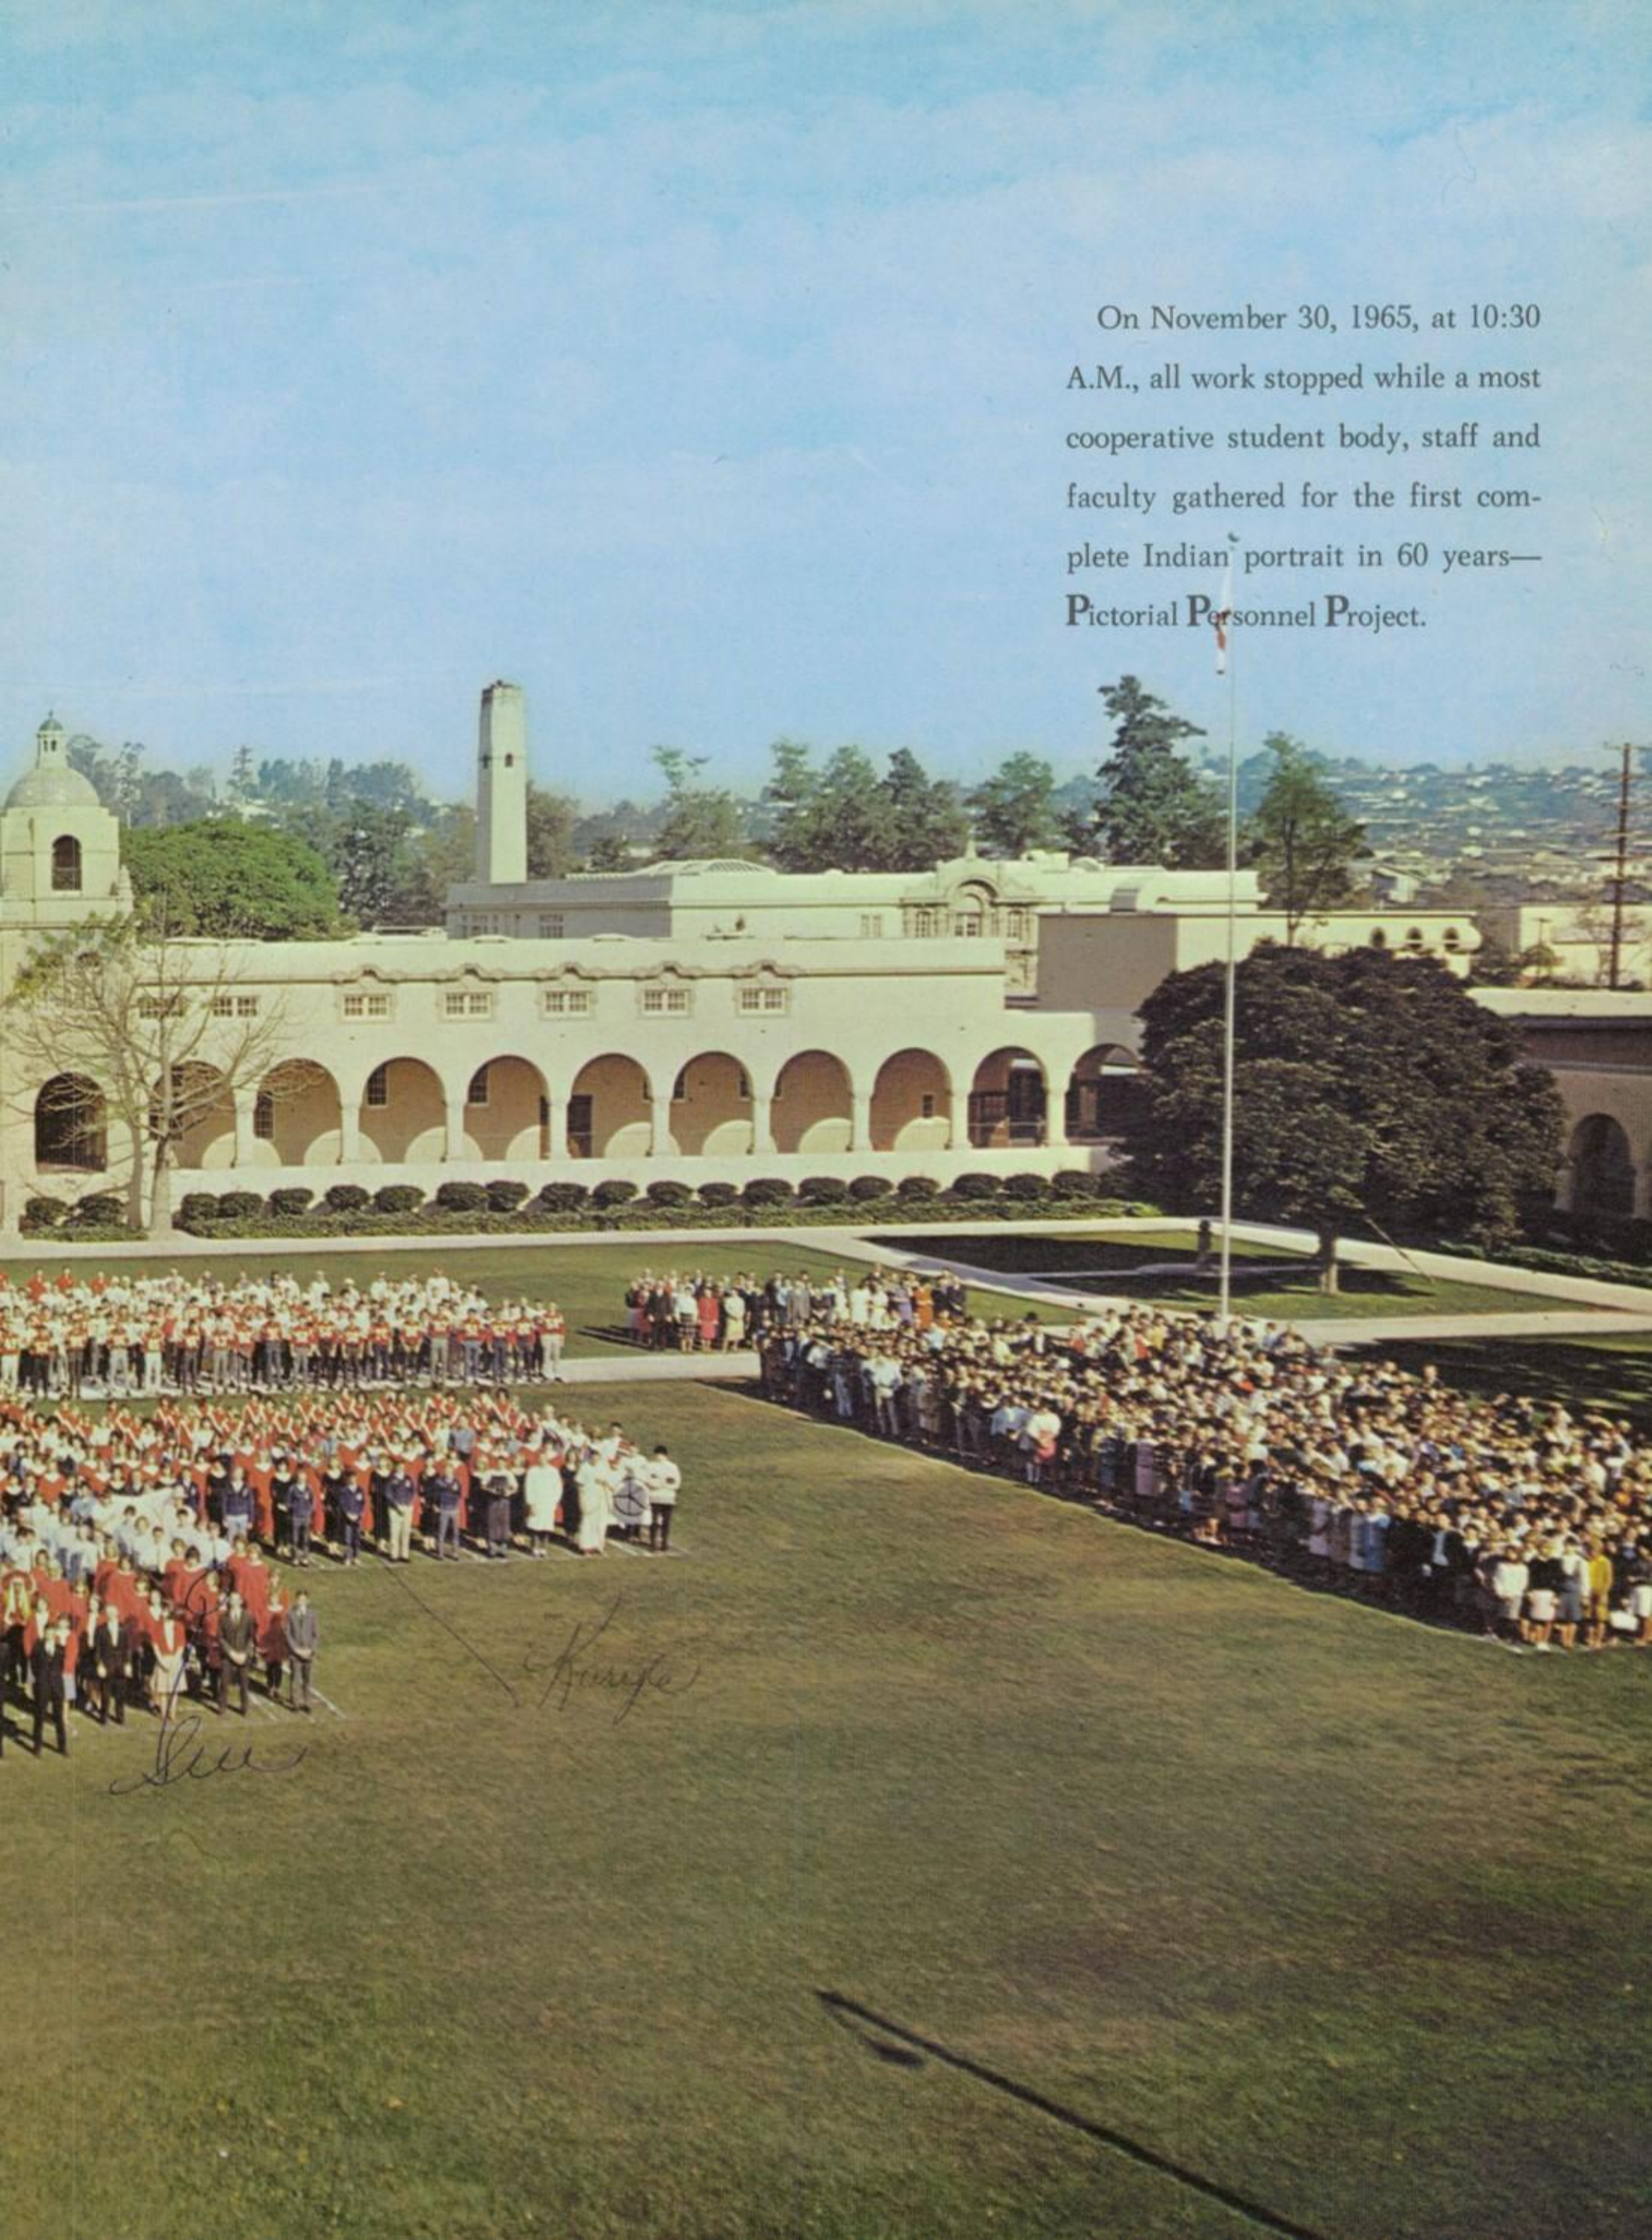
This year was opened with several get-acquainted functions. The Big and Little Sister Tea, and the Boys Oreintation opened the year for the Freshmen girls and boys. They were made familiar with our campus and its rules. Y-Teens sponsored the Silver and Gold Tea for all girls at F.U.H.S. The Faculty Tea was very helpful in getting the faculty members and student leaders better acquainted.

* * * * * *

1st Quarter

In the beginning the four years seem a prison, encircling us in their iron tight grasp.

On November 30, 1965, at 10:30 A.M., all work stopped while a most cooperative student body, staff and faculty gathered for the first complete Indian portrait in 60 years—Pictorial Personnel Project.



FRONT ROW: Doug Nelson, ASB Treasurer, Connie Tubbs, ASB Secretary, Jim Moar, ASB President, Jim Kay, ASB Vice-President, Susie Rowan, ICC Chairman. ROW 2: Zeke Taylor, AMS President, Laura Rich, AWS President, Robbie Cromwell, Production Chairman, Janet Milby, Pep Chairman, Judy Ford, Social Chairman, Pinki Buckmann, Publicity Chairman.

There were amusing moments in the Executive Board room too.

Executive Board

Students could air any grievances they had about our student government this year because the members of the Executive Board made use of a suggestion box. However, the board had begun work on several projects the previous summer. The card stunts that so many students participated in and the car caravan which displayed our tremendous school spirit were results of Executive Board inventivness and early planning.

Still another mission of theirs was the PPP (Pictoral Personnel Project). When it came time to organize over 2,000 students and faculty on the front lawn, each Executive Board member was given a job under the leadership of Jim Kay.

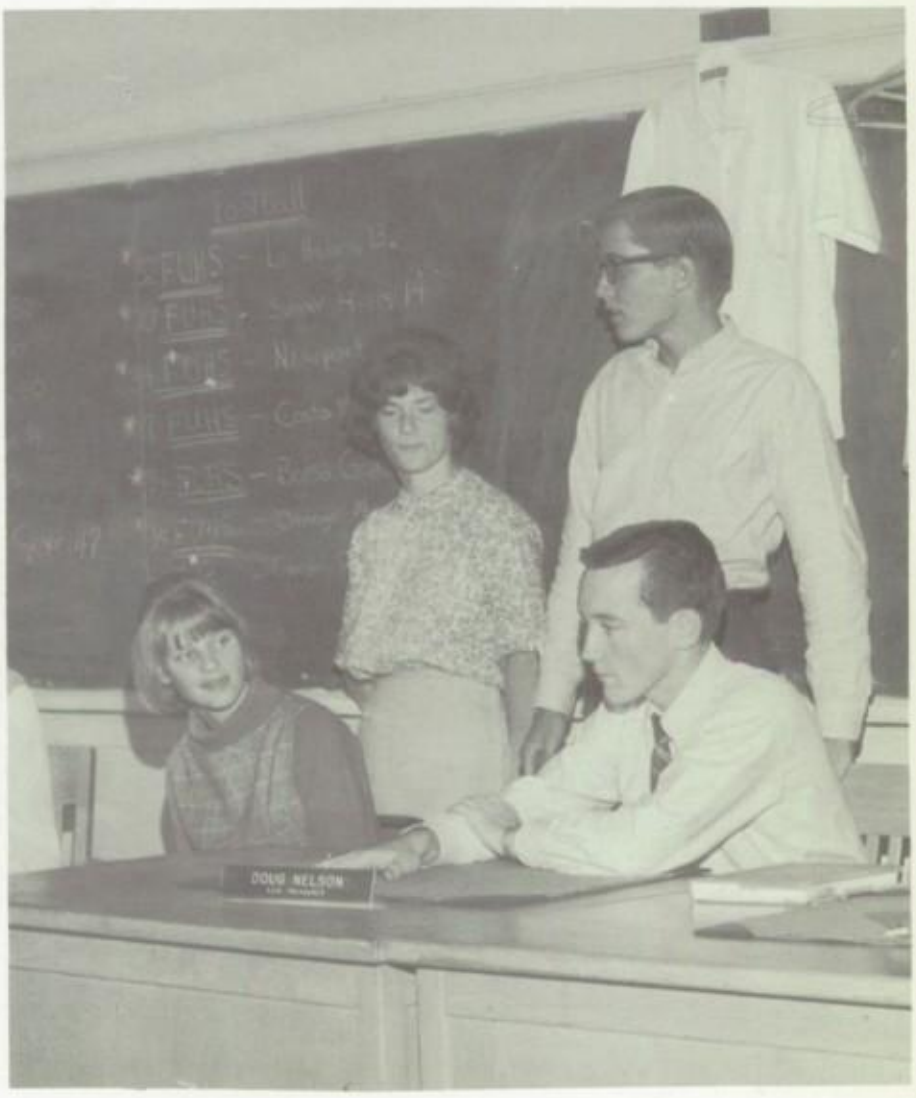
FRONT ROW: Jim Gottfried, Chief Justice, Janice Brown, Weekly **Pleiades** Editor, Connie Atkins, Annual **Pleiades** Editor, Cheryl Hudspeth, GAA President, Tom Lauritsen, Athletic Manager, Kathie Nord, AFS Chairman. ROW 2: Doug Young, Senior Class President, Steve Busby, Junior Class President, Chris Norby, Sophomore Class President, Wayne Watten, Freshman Class President, Nancy Cook, Head Song Leader, Alison Hoak, Head Yell Leader, Don Rhoads, CASC Representative.

and Ex-Officio

The Ex Officio members were busy this year voicing their opinions and problems to the Executive Board. While not having a vote concerning student body issues, nevertheless, their comments often swayed the actions of the Executive Board.

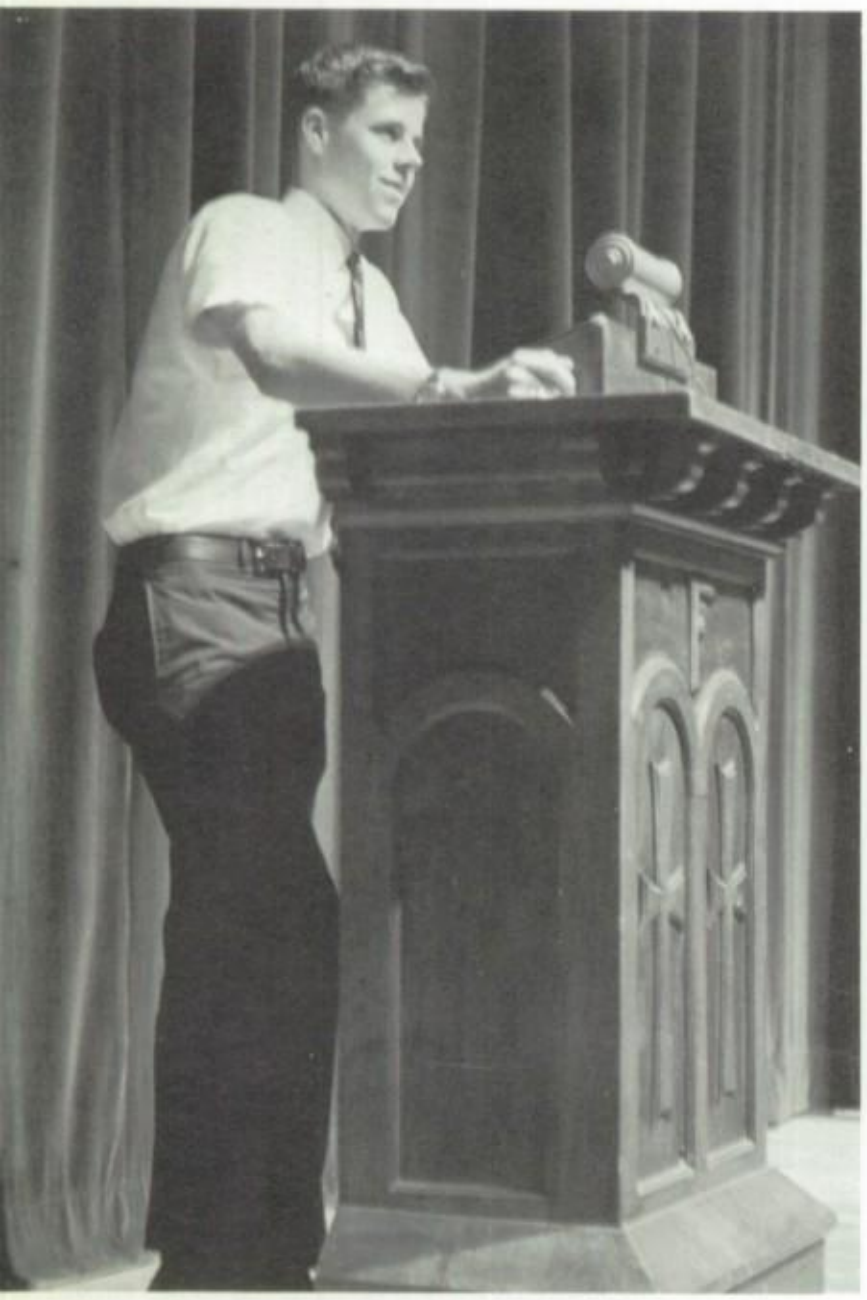
The members proved to be flexible in handling many problems: ranging from those of GAA to those of the Weekly *Pleiades* and all the other represented organizations.

A first for this governing body of FUHS were the representatives of the California Association of Student Congress, Don Rhoads and David Ingram.



Concentrated thinking helped solve board problems.

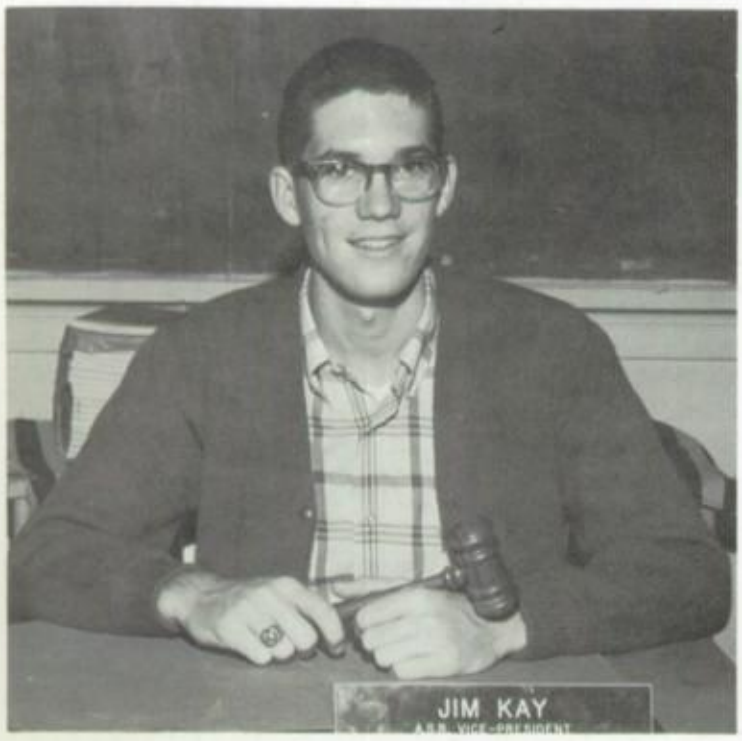
Student



ASB President Jim Moar

Student Government in 1965-66 was lively due to the energetic spirit of the officers. ASB President, Jim Moar, with the aid of his able secretary, Connie Tubbs, set a record-breaking pace in maintaining and raising the high standards of Fullerton Union High School's student government.

Many hours were sacrificed by Jim Moar towards the card section at three home games during football season. Another first which proved a huge success was the car caravan.



ASB Vice-President Jim Kay

Government

ASB Secretary Connie Tubbs

This year Congress tackled the litter problem on our campus in a new way. Teachers' names were put on trash cans and the one with the most trash was named Mr. Clean.

Valuable leadership was shown by Congress members when they sponsored the soap drive for Viet Nam. This campaign showed that students of FUHS could work together on important world problems. The following is a sample of how the project was started:

"It was asked that we, Student Congress, sponsor a drive, 'Soap for Viet Nam'. The entire student body would bring a bar of soap to school and it would be sent to Viet Nam. It was moved and seconded to recommend it to the Executive Board. Bill Crawford suggested that couples get into Homecoming by bringing a bar of soap. It wasn't passed. David Ingram made a motion that the ASB Vice-President appoint a committee of five people to look into the situation. The motion was passed."

Bill Harris, Ricky Massimino, Mike Kadera, John Pilger, Tom Shaw, Guy Giemont. ROW 4: Molly Lemmon, Pam Tanner, Shelley Frates, Sherilyn Sweet, Lauri Noonan, Rosalie Robles, Mary Lou Martinez, Nellie Cooper, Sharon Wernke, Jane Watten, Dot Varnum, Kathy Dean, Shelley Wiseman, Suzanne Patton, Tania Omalev, Steve Omalev, Teresa Shrum, Lillian Ulloa, Chris Stoy. Susie Rowan, I.C.C. Chairman, and Chris Anderson, Secretary.

Inter-Club Council

Capably guided by its chairman, Susie Rowan, the Inter-Club Council undertook many worthy projects this year. The tradition of a Club of the Week was successfully continued, and last year's precedent of a Club of the Year was formalized by the addition of a plaque on which to inscribe the names of these clubs. Sponsorship of a Frosh Assembly to orient the students to the merits of some of the larger clubs was another project, as was the painting of trash cans later in the year. But the invaluable assistance given to the individuals and their clubs was the most important duty of this year's I.C.C., and was performed well.

FRONT ROW: Sandy Nelson, Suzy Dever, Ann Dietzer, Valerie McCarthy, Laura Rich, Cheryl Hudspeth, Alice Moreno, Bruce Gehrke. ROW 2: Connie Hulbert, Dorothy Owens, Jan Murphy, Jack Gipson, Doug Davis, Kathie Nord, Jane Watten, Mary Kreimeier. Student Court

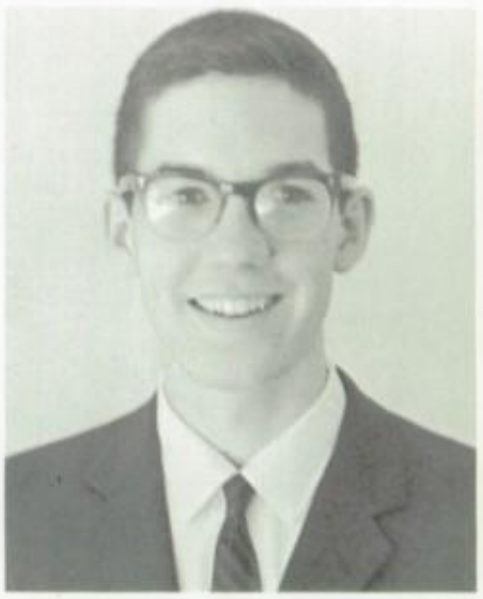
This year's Student Court attempted and accomplished much. New and different sentences were tried, and proved very effective. Chief Justice, Jim Gottfried, and the six associate justices were interviewed and appointed by the Executive Board. Bailiff and Clerk were selected by the justices themselves. The basic purpose of Student Court was to fairly judge fellow students who had violated school rules, and to recommend punishments that it was hoped would prevent them from committing the crimes in the future. Another vital function of the court was to interpret and rule on the Student Body Constitution. An efficient and effective Student Court was the goal of this year's justices, who worked hard to achieve it.

Judy Collar, Clerk, and Bruce Tomberg, Bailiff.

The Election Board was very efficient this year under Jim's leadership. They supervised the elections and tried to prevent illegal voting procedures. After the polls closed, they got the returns calculated very rapidly, announcing to the concerned candidates and their friends the results.



Jim Kay, Chief Officer

FRONT ROW: Janice Brown, Marsha Fraser, Chris Anderson. ROW 2: Duane Jones, Chris Smith, Doug Young, Jim Kay, Lyn Hardy, Richard Stack, Director of Elections. NOT PICTURED: Linda Capo.

Laura Rich, President

Beginning the year with the Big and Little Sister Tea, AWS got off to a good start. The Mother Daughter Banquet was another success with both mothers and daughters thoroughly enjoying themselves. Later in the year, they sponsored the Girl-DateValentine Dance. As another of their functions, they maintained proper dress standards on campus, this year very successfully. All these activities improved the quality of our student life.

FRONT ROW: Polly Norby, Janet Gray, Laura Rich, Chris Miller. ROW 2: Susan Carlisle, Kaye Evleth, Cheryl Brown. ROW 3: Janie Klaustermeyer, Jaynne Allison, Gail Dalton, Susan Amott, Anita Bell, Linda Capo. NOT PICTURED: Gayle Keefer.

AWS and AMS

The AMS began the year early with an Orientation Day for the incoming freshman boys. They helped acquaint the new braves with many of the Indian traditions and general knowledge of our school. This year, they created "Man of the Month" with the purpose of honoring one outstanding male student each month. In this way, they gave credit to the male students who contributed in some way to the success of our school. Later in the year, they sponsored the car show in which many students participated. These activities were a great success, adding up to a good year for the AMS.

FRONT ROW: John Newell, Mark Vanderburg. ROW 2: Eric Taylor, Larry Whitmer, Larry Henricksen, Bob Starr. NOT PICTURED: David Ogren.

Eric Taylor, President

Rallies and Pep

Student spirit, which is so vital to the morale of our athletic teams, was aroused by this year's energetic Pep Chairman, Janet Milby. Janet's work was aided by her Rally Committee and the newly formed Pep Club. Their job was to promote the "winning spirit" among the Indians by use of posters and student rallies. The greatest highlights of the year were the tremendous spirit at games and Fullerton's first card section at football games. We hope that they may become part of succeeding years' pep program.

Janet Milby, Pep Chairman, awaited start of half time card section performance.

TOP ROW: Jaynne Allison, Bill Muhlig, Janet Milby. ROW 2: Carol Petes, Tania Omalev, Andrea Smith. ROW 3: Molly Lemmon, Margaret Heyer. ROW 4: Carol Voccia, Debbie Hanvey.

Morning rallies developed that great Indian spirit.

Productions

The Productions Committee, led by the illustrious Robbie Cromwell, presented the student body of Fullerton High School with the best assemblies ever. Entertaining and informative personalities such as singer Jester Hairston and world traveler John Goddard were called on to perform in our auditorium. Also, a number of student entertainers performed before the student body. All told, the Productions Committee did an excellent job in planning and executing our assemblies.

Robbie Cromwell, Productions Chairman, coordinated a busy schedule of assemblies.

Mark Keiserman, Jan Adams and Ambra King readied backstage lighting for a performance.

Linda Marcoux, Sheryl Shaw, Linda Singer and Cathy Haber helped set up assembly scenery.

Social Committee

Madelon Marple, Pam Hamersky, Patti Gilpin, John Goodwin.

Much fun was had by all at the tribal dances this year. The credit went to Chairman Judy Ford and her able Social Committee, who did an excellent job of planning, decorating, and publicizing all the social events throughout the year.

Committee Chairmen

Andrea Smith, Chris Merrill, Chip O'Rourke, Dana Barlow, Bill Mulig.

Judy Ford, Doug Nelson, Pinki Buckmann.

Publicity Committee

News of coming events and results of past events were carried quickly and accurately throughout the reservation by Publicity Chairman, Pinki Buckmann and her committee. Through the work of the committee, the bulletin boards in the breezeway and on the Chapman—Pomona corner were always kept colorful and interesting. The committee also kept in contact with the F.U.H.S. Foster Child, Marie Drakopoulou from Greece.

Another committee that showed good organization this year was the Ticket Committee. A.S.B. Treasurer Doug Nelson chose ten students to assist him in selling Student Body cards, and tickets for all the Student Body functions. Along with heading this committee, Doug worked hard to keep the school budget balanced.

Michelle Vayssie, Sandee Hoffman, Georgene Burt.

"I'm very pleased at the increased number of students who participated in A.F.S. this year, and who were anxious to learn about countries other than their own," stated Kathie Nord, A.F.S. President. This participation was characterized by an abundance of interesting activities. Early in the year, there was an enjoyable Pancake Breakfast, held in conjunction with the Fullerton Kiwanas Club. The next big event was the annual sale of Christmas cards, which was very successful this year. An A.F.S. Conference encompassing all of Northern Orange County was held at Bolsa Grande High School, and two fascinating A.F.S. Assemblies were sponsored. One of the highlights of the year was the selection of the two finalists for American Abroad from Fullerton, Gwen Gardiner and Linda Frederickson. From fund-raising events to social events, the A.F.S. Organization provided many exciting times for its large membership this year.

Pre-meeting activity reflected the enthusiastic participation in A.F.S.

Fullerton was blessed with three wonderful exchange students this year. Two of these, Bo Ljungberg of Sweden, and Lokman Metin of Turkey, came to us as A.F.S. students, while the third, Gerit Wohlfarth of Germany, was sent as a representative of the Youth for Understanding Program.

Each of these students brought with them and imparted to us an understanding of the way of life in his country. And each will return to his country with a better understanding of America and Americans. The following were comments written by the exchange students giving us their impressions of their stay here:

Dear Friends,

For all your friendship and understanding, let me thank you so very very much, especially "my" family, the Atkins, with whom I lived here. All of you helped me so that I didn't feel lonely so far away from Hamburg (Germany), and Fullerton became my home. And like a good Fullerton girl, I "hate" Sunny Hills—like the sun, ice cream, and the beach — convertibles and Disneyland — Mr. Oseid and Mr. Daniels, and football, especially our captains. I will be very sad to leave California, the sun, and my friends. But I will always remember you and your beautiful, great country, of which you really should be proud of. I will go back to Hamburg as an ambassador of friendship and the U.S., which for one year was my home.

Thanks! Your Hamburger,
Gerit Wohlfarth

Before I came here, even before I got the scholarship, I had dreams, I made plans and wondered how everything was going to be like—"over there"— in the U.S. But not in my wildest dreams did I get the conception of the wonderful Fullerton: the marvelous easy-goingness of the students, the ableness and friendliness of the administrators, counselors, and teachers; the thrilling football games and the unbelievable school-spirit, my wonderful family—the mountains, the beach, the sun! I love it!

Bo Ljungberg

When I took the A.F.S. Scholarship test I didn't hope to win. It was only a dream for me. But having learned that I had won it, my dreams began to be reality. As an A.F.S. student I brought some understanding of my own country — its people and customs and ideals and beliefs — to people in the U.S. I found a wonderful country whose people are always happy, and became a part of a wonderful, goodnatured family. I made many friends who will never be forgotten. I have been a student of a lovable school, with its friendly teachers and administrators, and gained an understanding of the people of the U.S. and the American Field Service, as a part of this country for more than one year.

This year the *Weekly Pleiades* staff had a problem-money shortage! They had to do a large amount of extra work to make up for this shortage. The newspaper also used a new process of printing which make the pictures appearing in the paper clearer. The staff worked hard interviewing people and got new ideas for their stories and columns.

The newly organized Featherettes disproved doubts that they could reinstate their past triumphs. Under the guidance of Miss Quigley, the new girls chose good leadership, then supported it with well disciplined performances at home games. The student body was proud of this year's drill team!

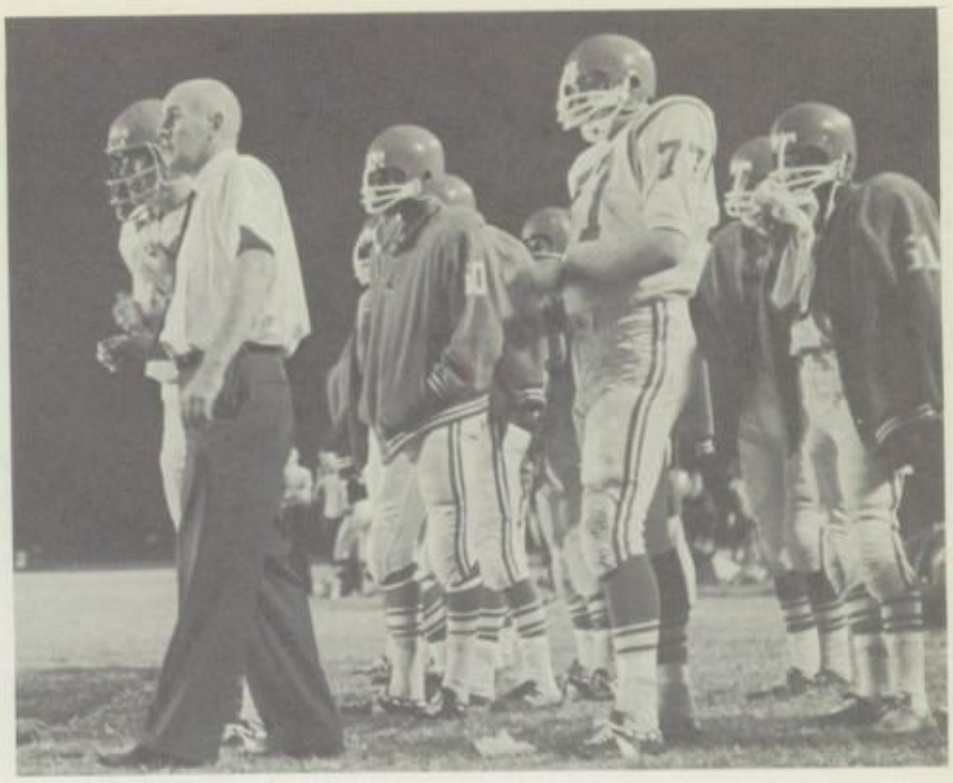
The "walking wounded" managers were a great help to Coach Tucker and his staff, Coaches Van Vliet, Van Voorhis and Bergman.



Coach Tucker and his team watched the game anxiously.

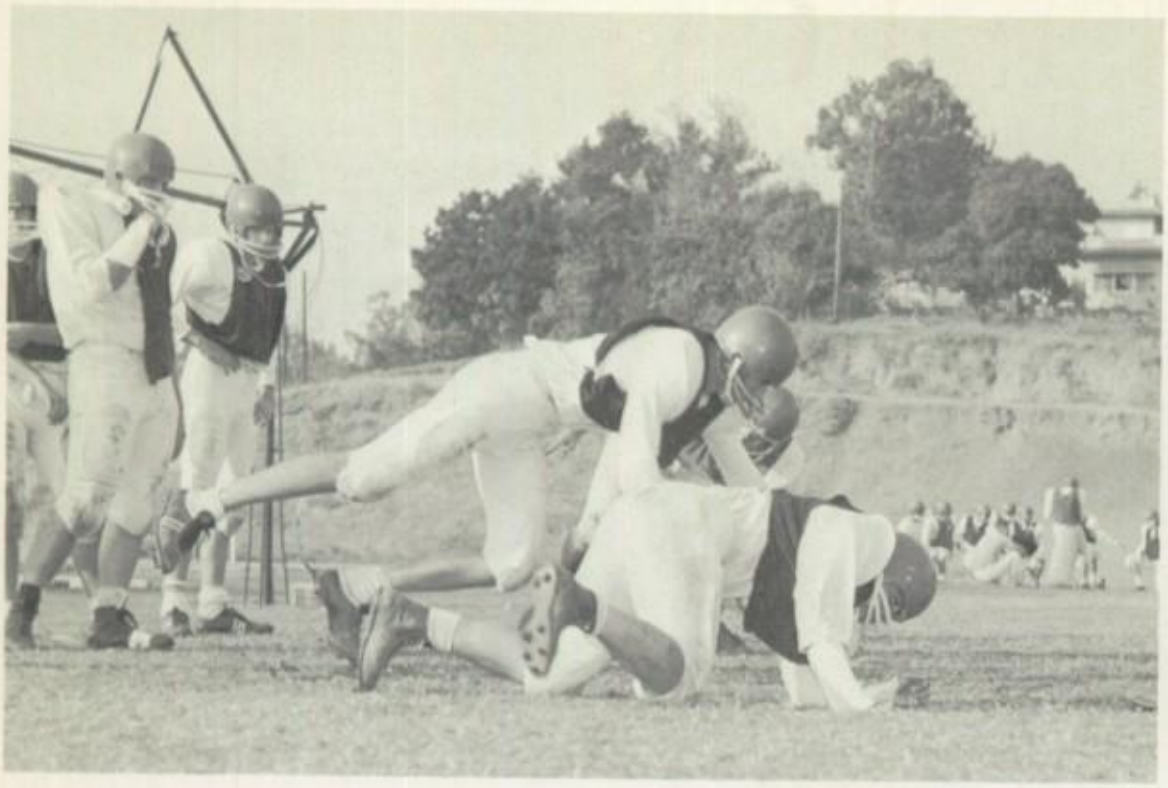
Orange found Johnny Miller, a promising Sophomore, hard to bring down.

Football

Until stalled by mid-season injuries the explosive Big Red ate up the Freeway League. Two pre-season victories over La Habra and cross-town rival Sunny Hills started us off. With a tough line and an experienced backfield led by Duane Jones and all-Freeway League backs Jeff Nygren and Gary Fowler, this year was very exciting and successful. Jones, Maxey, Green, and Buhre also received top league recognition. Jeff Nygren was voted most valuable player and Duane Jones received the most inspirational award.

Nygren often took the pitch from Jones and found receivers downfield.

JV



J.V.'s and the varsity squad practiced together, giving the J.V.'s more experience.

Consisting mostly of Sophomores, this year's J.V. team had a better than average season. Before season's end a number of the fellows moved up to the varsity squad for valuable competition experience. Wait 'til '66!

Inspired by Guy Giemont, the Bee football team chalked up a 1 won, 8 lost record. Guided by Coaches Wrightson and Johnson, the boys displayed true indian spirit and fight as they learned the fundamentals.

Bees stop Buena Park in their attempt at a first down.

Under the guidance of Coaches Bass and Gibby, the Cee football team put up a good fight this season. Bob Bales was named the top player by the coaches, and with a lot of hard work the team ended the season with a 3 won, 6 lost record.

Varsity Water Polo

Fullerton's winningest coach, Mr. Arth.

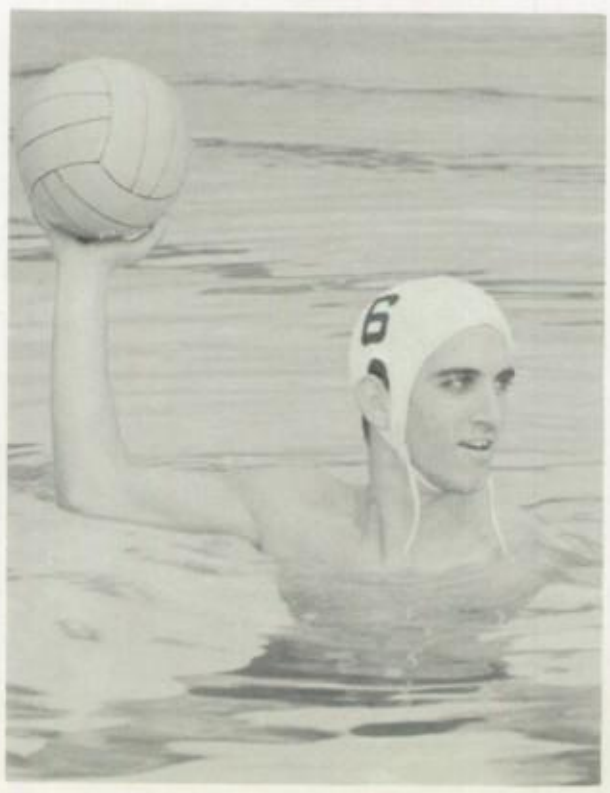
Spike Burnett was selected to All-C.I.F. first team and All-American third team.

Ferdy Massimino captured MVP, All-C.I.F., and All-American honors.

Ricky Massimino and Bill Rake reversed field of play.

Despite pre-season ratings ranking us as a non-contending ball club because of the graduation of last year's stars, the Varsity Water Polo team rose to the limelight by winning their important games. By capturing the Freeway League title they earned a berth in the C.I.F. playoffs, and a chance at the So. Cal. championship. The poloists reached the semi-finals, where they lost a heartbreaker to Corona del Mar. They again lost the bid for the 3rd place title, as Whittier squeaked out a one point victory in an overtime match. This year's success must be accredited to, not one boy, but to the exceptional ability of all the boys to "give it all you've got."

Ken Wiley blasted ball past opponent's goalie.



Doug Davis was a quick thinker and powerful shooter.

Pat Gray guarded against Dalton Maurin's shot.

Jack Gipson won Most Inspirational, All-C.I.F., and All-American honors.

Chip O'Rourke, who won All-C.I.F. honorable mention, passed ball to opponent.

Clark Sand helped start Fullerton's fast break.

This year's Bee Water Polo team ended its fine season on a dismal, dark and dreary night, when Buena Park edged them out of an undefeated league record and sent the championship into a three-way tie. The team, lacking in members, but strong in quality proved to all contenders that Fullerton played a "top notch" brand of water polo on the lower levels too, and will continue to do so for years to come. Outstanding players were Mike Rhodes, Tom Ostensen and Terry Klein.

Cee Water Polo

The Cee Water Polo team was typical of most Cee teams, loaded with the inexperienced Freshman and sprinkled with two or three talented Sophomores and Juniors. Coach Arth was able to shape up a fairly competent squad, however, and by the beginning of season play they played an exciting and impressive game of water polo. The team ended its season with a League record of 5 wins and 1 loss, nothing to be ashamed of. Outstanding players on the squad were Mike Mason, John Wright and Larry Larson.

Waiting for the meet to begin.

"Come on you hamburgers!" With these descriptive words Coach De Groot opened practice for this year's Cross Country team. Although the gun failed to go off at most of the meets this year, the team was able to start just as well with the shrill sound of a whistle. The team was the most feared in the league, and quite often captured all of the first five places.

For those of you who think Cross Country is an easy sport, why don't you go run the oil fields with the team some day? Probably you would develope blisters on your feet and a pain in your side.

This year's squad was a great one and was able to win the league title with a perfect seven won, none lost record.

The cross country team fared well in C.I.F. Starting out quickly, the team placed first in the pre-lims with fine performances from all runners. In the finals our team captured sixth place out of the 9 schools represented. Special appreciation was given to Coach DeGroot in the form of a birthday cake complete with a miniature hamburger on it. We're all proud of the fine work done by our varsity and junior varsity cross country teams.

Varsity Tennis

This year the girls put in many long hours of hard, enthusiastic work. Through work and practice they improved many of their skills and gained more experience. Many of the same girls on the Varsity tennis team also played Interclass tennis. The girls played under the leadership of Miss Shurtz, advisor, and Eleanor Roberts, manager.

Homecoming Queen and

Her Court

The stars cast down their brilliance making Homecoming an enchanted evening for all. Amid the splendor of blue and white carnations our Queen, Susan Cleveland, reigned. Her Royal Court included Kathy Moore, senior attendant, Glenna Newkirk, junior attendant, Peggy Erickson, sophomore attendant, and Sandra Ritchie, freshman attendant. The Bernie Perry Orchestra provided many wonderful selections, which enraptured each couple as they danced around the dimly lit room. It was truly an enchanted evening that will be long remembered by all who attended.

"Increasing school spirit and raising funds for the 1967 Junior-Senior Prom were the goals of '68," recalled Chris Norby. Meeting with the Sophomore Class Council and officers, he helped to organize their fund-raising activities. Among these were the Winter stag dance, the Spring Sophomore Playnight, and the numerous break sales, including the first pickle sale in the history of F.U.H.S. The Sophomores worked frantically to reach their goals, and so had a very prosperous year under the leadership of Chris Norby.

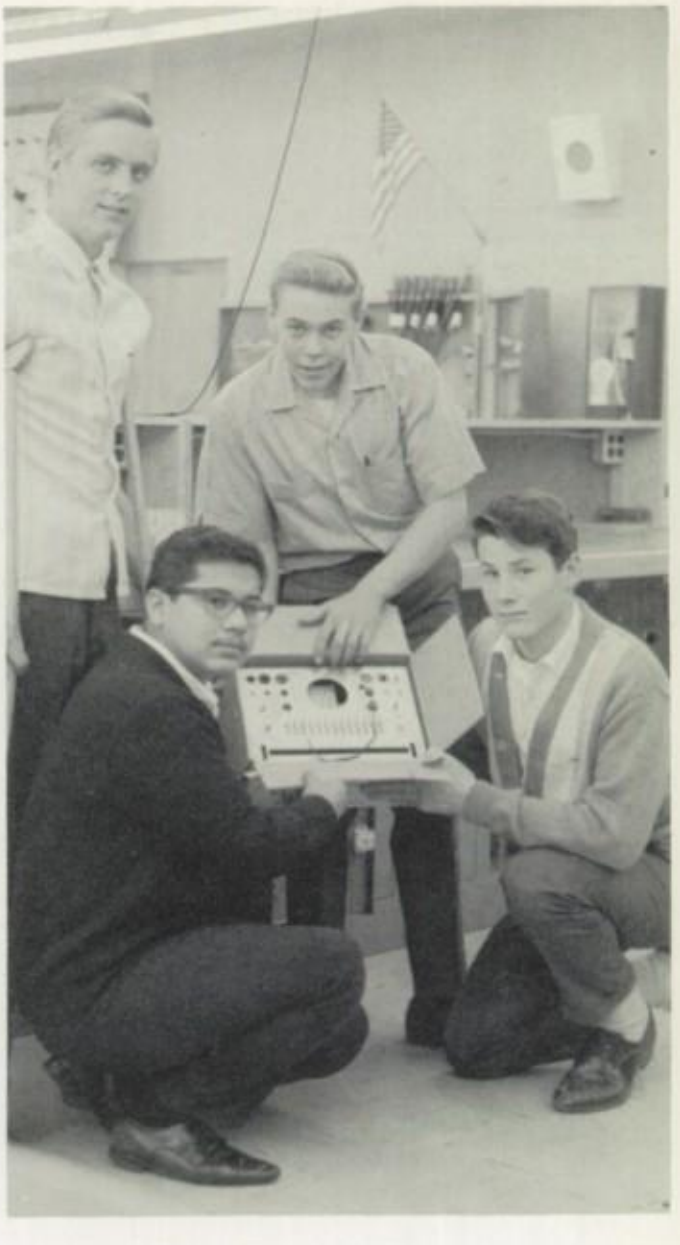
As sophomores we began to grow . . .

Electronics Club

FRONT ROW: Steve Hall, Tom Davis, Ed Voccia, Greg La Rock, Dale La Rock, Mark Melgren. ROW 2: Paul Schumacher, Pat Lowry, Dave Lowry, Dan Waldron, Roger Manuel, Lee Atterholt, Dave Huff, John Cairns. NOT PICTURED: Greg Fangerow.

This year two new clubs were organized. One of these was the Electronics Club. All boys who were interested in studying electronics came out Mondays after school to see films, hear speakers, and to work on special projects.



FRONT ROW: Sal Aguiar, Vice-President; Mike March, Treasurer. ROW 2: Terry Hawkinson, Secretary; John Weldon, President.

Crown and Castle

The second of the new clubs on campus this year was the Crown and Castle Club—the formal name for the Chess Club. Every Wednesday the Indian Chess players gathered in the Conference Room to play practice matches preparing for the matches played against other schools.

Some members concentrated on chess matches in one of the club's many practice sessions.

FRONT ROW: Ed Humenny, Kevin Smith, Bill Kuttner, Vice-President; Stuart Haynie, President; Gary Strachen. ROW 2: Bob Walters, Tim Clemann, Mr. Yelle, Advisor; Les Kenyon, Don Meeker. ROW 3: Mark Barnet, Chris Norby, Bob Dhyse. NOT PICTURED: Joe Cano, Pam Kinsey, Jim Knapp, Dale La Rock, Greg La Rock, Bob McCants, Doren Howitt, John Watts.

Hi-Y Club

Schmerl's Schnooks gathered . . .

This year Fullerton had on campus the Hi-Y Club—an enthusiastic branch of the Y.M.C.A. In December, Hi-Y sponsored "Battle of the Bands," a stag dance in which seven bands competed for a one-hundred dollar prize and a contract to come back and play at another stag dance in January. Hi-Y met every Tuesday night and planned many rewarding service projects, such as distributing United Fund posters and organizing an Orange County Youth Conference. The highlighting event of their year was a caravan to the Grand Canyon during Easter Vacation.

Greg Vasvary, President; George Spicer, Treasurer; Tom Lauritsen, Vice-President; Dennis Maxey, Secretary.

FRONT ROW: Mike Tobey, Mike Taylor, Gary Sanders, Chris Stoy, Mike Mason, Bob Parker, Marc Kretzschmar, Bob Stiles. ROW 2: Dick Staub, John Newell, Guy Giemont, Mark Nelson, Paul Archipley, Bruce Tomberg, Bill McCauley, Mike Kadera, Tom Shaw, Doug Young. Y-Teens is an energetic organization of 300 members broken into four classes which meet every month. Each class has its own service projects. For instance, seniors went to a Tijuana orphanage to make the orphans' Christmas merrier. The sophomores collected dolls to send to the children. Y-

Bo Ljungberg and the cast spent many hours to bring the Swedish Sankta Lucia to our annual Y-Teen sponsored Christmas Meditations.

Teens had money making projects also such as breaksales and class pin sales. They sponsored an outstanding assembly on the history of FUHS as well as Christmas and Easter Meditations. With all of these activities it isn't hard to see why Y-Teens was chosen club of the year last year.

Seniors reigned.

FRESHMEN OFFICERS: Anne Dietzer, President; Terry Bowen, Treasurer; Jerry Jacobson, Secretary; Gail Hudspeth, Vice-President.

Idakas

FRONT ROW: Velda Kreimeier, Susan Beckman, Gerit Wohlfarth, Barbara Sowder, Cathe Averett, Chryssa MacCutcheon, Gail Dalton, Chris Anderson, Judy Ford, Pam Hamersky, Madelon Marple, Andrea Smith, Shelley Frates, Susan Amott. ROW 2: Marya Maddox, Pinki Buckmann, Jaynne Allison, Judy Collar, Shirley Stoughton, Jane Watten, Connie Tubbs, Chris Miller, Gail Chamberlin, Alison Hoak, Lynda Hilbert, Janet Steele, Gwen Gardiner, Cindy Christensen, Patti Schwartz, Janie Klaustermeyer. NOT PICTURED: Gayle Keefer.

Due to the ingenuity and selflessness of this year's Idakas, many tasks were performed that would otherwise have never been done. Dusty trophy cases and unpainted wooden newspaper containers were just two targets of their efforts. A very worthwhile project was that of helping to start a service club for the girls at Troy High School. Serving at sports banquets and ushering for other events were other useful deeds. The climax of the Idaka year, though, was, as always, the Christmas-time collection of money for Care. This activity proved as successful as did the entire year for Idakas.

There was never a dull moment, nor an idle one, when the Idakas got together.

FRONT ROW: Chryssa MacCutcheon, Historian; Cathe Averett, Treasurer; Gail Chamberlin, Secretary. ROW 2: Jaynne Allison, Vice-President; Shirley Stoughton, President; Janie Klaustermeyer, A.W.S. Representative.

NOT PICTURED: Joe Adragna, Wade Forsyth, Ed Humenny, Pat Kapsner, Brad Lorton, Kelley Moser, Mike Murray, Jeff Nygren, Roddy Raub, Chris Smith, Bob Starr.

Key Club this year was characterized by a full schedule of meaningful activities. The "key" word was service. Christmas gifts were given to the L.A. Orthopedic Hospital, and were greatly appreciated. Many awards were given to those boys who were outstanding in their concept of how and why to serve others, and who did just that. The 2nd Annual Otto Evans Award, and a $100 cash scholarship were just two of these awards. In terms of achievement, Key Club was certainly successful this year.

FRONT ROW: Marc Kretzschmar, President. ROW 2: Chris Bowen, Secretary; Mike Kadera, Treasurer; Don Rhoads, Vice-President.

An official ceremony was given to induct new senior boys into the Key Club.

Teen Toppers

Girls, 5'8" or over were eligible for membership in Teen Toppers. This year the qualifications were lowered to 5'7½" for freshmen. The girls learned grace, poise, and fashion coordination and most of all, they had fun. Culminating their year, Teen Toppers sponsored the annual fashion show, displaying all the latest styles in girls' fashions.

Members went to L.A. International Airport to obtain information on becoming stewardesses.

French Club

The French Club strove to obtain a better understanding of the social and cultural ways of the French people. This year was highlighted by a visit from a former F.U.H.S. student, Ann Varnum, with slides of her stay in France. The members were kept busy planning their annual spring trip which rounded out a perfect year.

The first German Club meeting was held eight years ago and was a big success. It has continued to be an active school club. The purpose of the club was to acquaint members with the customs and language of German speaking countries. All interested students were invited to come and join in the meetings and other activities of the club. Pot lucks, guest speakers, and films were sponsored throughout the year.

This year's Russian Club had a very successful and rewarding year. Heading the program for this year's activities was a talk by Paul Nahim who showed his slides of his trip to the Soviet Union, including the Moscow May Day Parade. The club also attended the Russian Orthodox Church services of the Russian Colony in Glendora. Highlighting their activities was a Beef Strogonoff dinner served by the ladies of the Russian Orthodox Church.

President Bob Stiles called the meeting to order.

Latin Club

Being such a small club, the Latin Club had many joint meetings with other schools in our area. Their main event of the year was their annual trip to the California Junior Classical League. This convention lasted for two days. They went to a Roman Banquet and visited the Huntington Library.

Spanish Club

The Spanish Club had an exciting and eventful year. They had many "Pan Dulces" sales which were enjoyed by all the student body. The Spanish Club consisted of 3rd and 4th year Spanish students. The main event of the year was their trip to Padua Hills. The students saw a play, watched pottery being made and absorbed the authentic atmosphere of this bit of Mexico.

The Spanish Club members enjoyed several enthusiastic meetings.

"An Evening of One Acts" was a combination of mystery, comedy, satire, and suspense. "Gloria Mundi" went to work at an institution where the patients couldn't be distinguished from the employees. "The Way Out Cinderella" was changed into a beatnik by a fairy godmother who lost her touch. "Man From G.R.A.N.D.P.A." subdued the villain and reclaimed the gold. In "Early Frost" a deep, dark secret was revealed. Staged by the Drama II students, the evening proved to be enjoyable for everyone.

Club members listen intently to guest speaker.

It is an honor to have a chapter of the Thespians at Fullerton Union High School. Students obtained membership to the organization by acquiring points through various activities such as participating in plays and skits. This year the members sponsored the annual talent show to help finance their trip to Oregon for the National Thespian Convention. Under the supervision of Mr. Peters, the Thespians had a very successful and enjoyable year.

Art Club plunged fearlessly forward this year when the club voted to change membership from fifteen to twenty select art majors. A tour of European art treasures, via Mrs. Randall's slides taken during her recent sabbatical, was offered to members. As usual the individualists of the club strove for cultural improvement and artistic creativity.

In obtaining membership in Pleiads, using the previous semester grades, A's count 3 points, and B's count 1 point. A total of 10 points is required for admission.

Climbing water fountains was only one "sport" indulged in on the Pleiads day off campus.

Stag Dances

Christmas on Campus

Santa Claus made use of his power to grant wishes to little girls.

Robbie Cromwell, John Watts, and Ambra King starred in "Why the Chimes Rang."

One of the most scenic spots on campus at Christmas was Senior corner.

The highlight of Christmas Meditations was Bo Ljunberg's Sankta Lucia Procession led by Susan Arnott as Sankta Lucia.

The Music Department of FUHS really "rocked out" this year. Occasionally the groups got together and presented one of their popular programs. The impressive Christmas performance was mildly disrupted by the entrance of a stray dog during the Bach Cantata. Surely the program was enjoyed by all, as it offered a fine selection of music.

Once again, Mr. Leyda did an excellent job with the orchestra and Miss Phillips was able to control the wild mobs of vocalists. This year the music groups weren't stressed as "just an easy class," but instead as a bunch of students working as a team to earn praise for themselves and their school. Christmas, the Spring Sing, and the Festivals all add up as the end result of hard work and dedication.

Music Club took on a new look as a really great club this year. Under the leadership of Sandy Nelson, President, the club found itself among the ranks of large organizations on campus. Once again the club succeeded in giving each member a "well balanced diet" in every field of music.

Jeff Ritter

Under the fine direction of Mr. Jack Leyda and able leadership of Drum Major Jeff Ritter, the Fullerton High School Band completed another successful year. Through the results of many long practices during and after school hours the band was able to present F.U.H.S. students with some fine entertainment at the football games and assemblies. They also participated in the Huntington Beach parade in December, the annual Music Festival in March, and hosted the annual Fullerton Junior Chamber of Commerce Parade.

The band sat that one out.

Majorettes

As the Pep Band increased in quality this year, so did the school spirit. Under the direction of Mr. Leyda and with the help of Jeff Ritter, the Pep Band showed the school what fine music could add to our morning rallies, football games, and assemblies.

Carol Lingenfelder
Head Majorette

The twirling of batons by Carol, Donna, and Elaine, added a great deal to the school spirit this year. After the three majorettes were chosen at the beginning of the year, they spent many hours perfecting their routines. Performing at all home games and rallies, they proved that they were the finest the school has seen in a long time.

Song and Yell Leaders

The song and yell leaders did a wonderful job to promote school spirit this year. Besides having many rallies, they performed at assemblies and games. They did a great job in making new yells that fit the occasion. The student body was willing to give the teams their support but without the song and yell leaders, there would be no way of expressing this support. Everyone thought the vigorous leadership this year was a real asset.

This year's modern dance, headed and advised by Mrs. Overton and managed by Ellen Payan and Cris Pyeatte, proved a great success. Presented again this year was the annual Dance Concert. The title and theme of this year's concert was "Dance—A Universal Language." The Dance Concert offered great entertainment and variety for the large audience that attended. All efforts of our girls paid off in satisfaction and awards at the Concert.

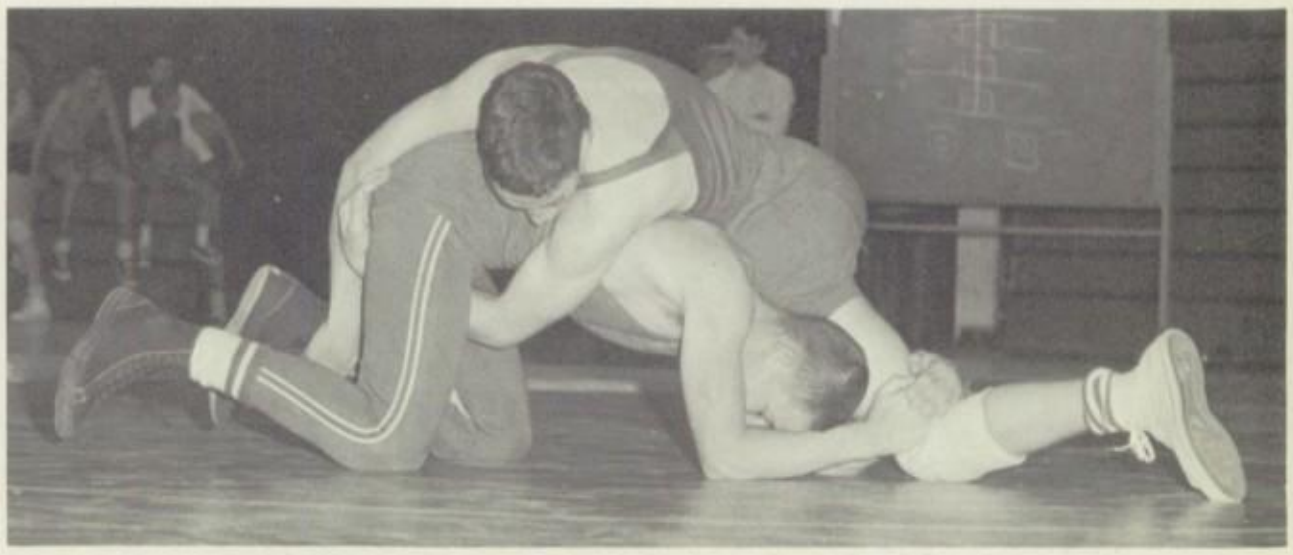
Coach Van Vliet had each matman built like "Batman" and was able to come up with another fine group of grapplers. Led by Dick Buhre, Victor Levoit, and Jim Green, the squad worked hard each day learning the varied techniques of wrestling. Each one of our wrestlers will vouch for the fact that the sport not only requires stamina, but also a great deal of skill. The "animal instinct" of our men proved helpful as they fought fiercely in each match. After a year of worn out knee pads, bandaged mat burns, and empty deodorant cans we can certainly say "well done" to our fine wrestlers and their excellent coach.



Pat Dilley gained control of his opponent.

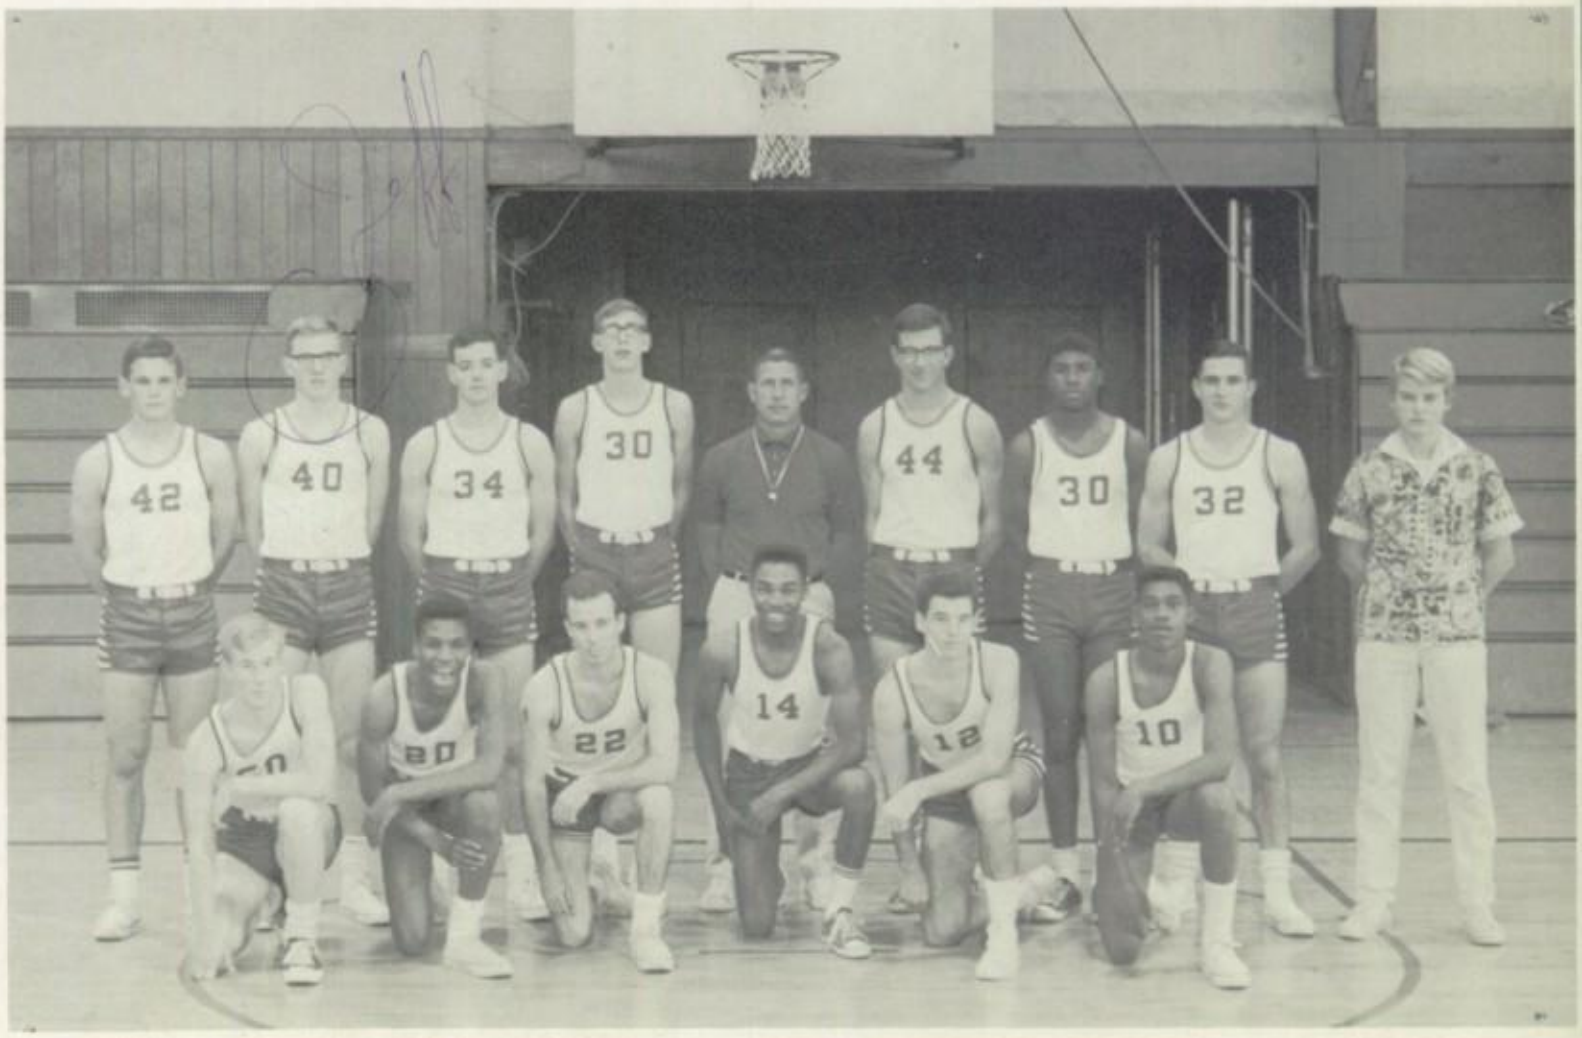
Junior Varsity Basketball

This year's J.V. Team played a good game against every foe and thus obtained a record number of wins. Due to a lot of hard work and drive the team always gave fine performances.

Since many of this year's varsity players will be graduating, the J.V. games served as a good training ground for future varsity players.



FRONT ROW: Mike Tewalt, Mack McCoy, Randy Faulkner, Steve Peek, Craig Styles, Marv Owens.
ROW 2: Steve Busby, Jeff Sunderman, Byron Jacobson, Scott Wright, Coach Lawyer, Pete Wickman, John Miller, Doug Baker, Tom Davis, Manager.

Jeff "Deke" Nygren drove in for a lay-up shot.

Mike Wells out-rebounded his opponent.

The team anxiously awaited another point from Rick Vanderburg.

This year, under the able leadership of Coach Van Voorhis, the varsity basketball team excelled in the Freeway league. In the middle of the season, the Indians climbed to the top spot in an exciting game over Costa Mesa with key victories from Garden Grove and Huntington Beach.

Free throw shooting proved to be an invaluable asset to the team and their concentrated effort showed through even under constant pressure.

Bee and Cee Basketball

FRONT ROW, CEE TEAM: Bruce Holzgraf, Manager; Alfonso Melgoza, Scott Mason, Bob Bales, Dave Matsuyama, Wayne Hart, Martin Delpozo, Luis Hernandez, Lorin Kerns, Mike Krantz, Jakes Mueller, Coach Wrightson. ROW 2, BEE TEAM: Frank Workman, Guy Giemont, Terry Klein, Bob Waltz, Wayne Watten, David Kaan, Rick Lyon, Steve Pate, Lance Forsyth, Paul Lambourne, Dana Umstot, Marc Vanderburg, Manager; Coach Johnson.

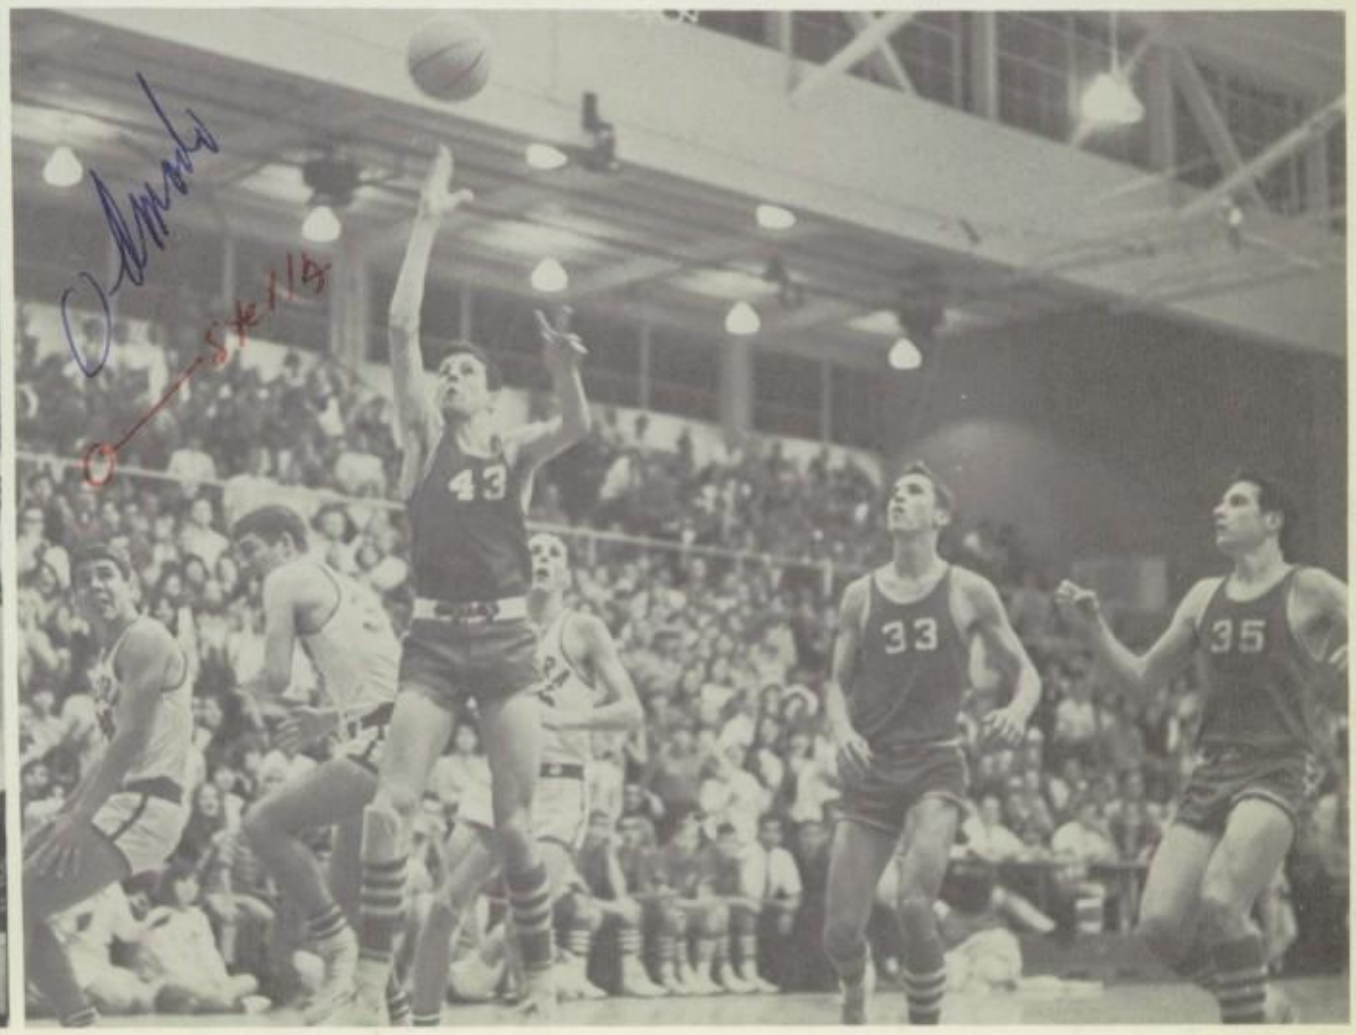
This year's Bee team proved to be an excellent one. Under the fine leadership of Coach Johnson, the team was able to prepare itself for league play. Fundamentals were stressed in the practices held each day after school. As usual, the Bee team was a testing ground for the varsity contenders of the future.

The Cee team also showed promise this year. Coach Wrightson drilled the players on the value of teamwork as the group worked together throughout the season. Much credit should be given to each boy who toiled hard for his school on this squad.

CIF

Not enough can be said about the stature of this year's tremendous basketball team. Sweeping through the league with a record of 13 wins and 1 loss the team captured the Freeway League title and also the right to enter CIF play-offs. FUHS won it's first game of CIF against Loyola and lost the second game to Sierra. (Sierra went on to defeat Long Beach Poly for the CIF Championship.) All-league honors were given to Larry Henricksen on first team and Gary Fowler and Mike Wells on second team. Henricksen was also chosen as Freeway League player of the year and Mr. VanVoorhis was chosen as coach of the year. Mr. VanVoorhis was also picked as coach for the Shrine All-Star Game. Before the Sports Banquet the team chose Mike Wells as Most Valuable Player and Jim Moar as the Most Inspirational.

Desire, talent, fine coaching and teamwork were combined to reward the team with a fine and profitable season. Credit should be given to the student body too, for it's fine support and spirit which lasted the entire season.



Varsity Tennis

FRONT ROW: Doug Nelson, Dee Goss, Mike Hobson, John Wright. ROW 2: Dennis Wormley, Jim Thompson, Gary McCaskill, Chris Bowen.

Under the direction of Coach Lawyer, the tennis team terrorized the Freeway League. Blessed by the addition of Mike Hobson teamed with talented returnees from last year, the team found many victories and few defeats on the road to a perspective league title. Smashing serves and brilliant team work were achieved by the doubles teams and the boys in singles were nothing short of spectacular. The future of FHS tennis teams looks like a good one as the JV's also showed much improvement throughout the year. Some boys played JV's and then switched to Varsity due to their "total talent."

CHAMPS: FOURTH YEAR STRAIGHT

Clark Sand, Mike Kadera and Pat Gray waited for the crack of the gun.

Coach

Once again the F.H.S. boys decided to "give the school a break" by tearing the league apart. Occasionally the team dropped in at the pool to make a quick appearance before carrying away their trophies. The speed of our swimmers was so great that opposing "belly floppers" complained of our boiling water (perhaps this is due to the fact that the pool heater thermostat broke and the temperature zoomed to 92 degrees—our boys still created friction).

For three years in a row F.H.S. had captured the C.I.F. championship and the early meets of the season were a good indication that this year was to be no exception. A final swimming report is found in the Summer Supplement.

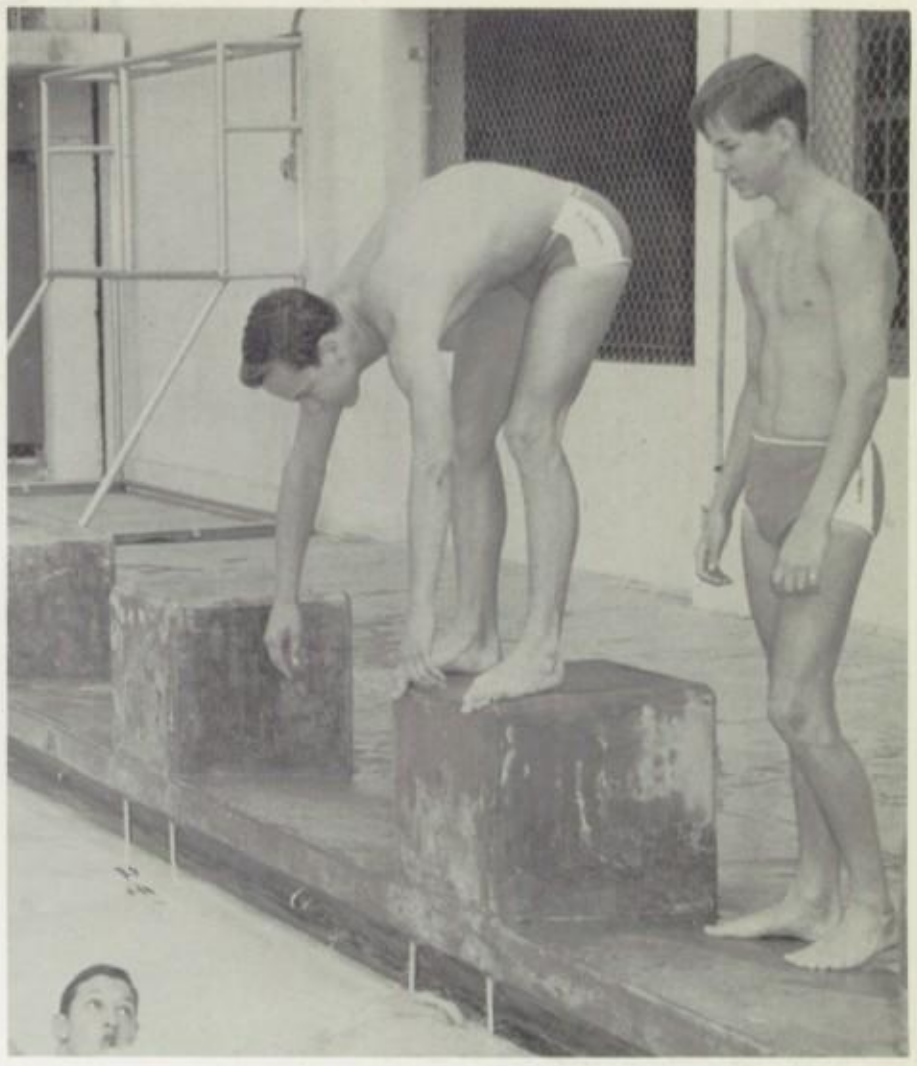
Bee Swimming

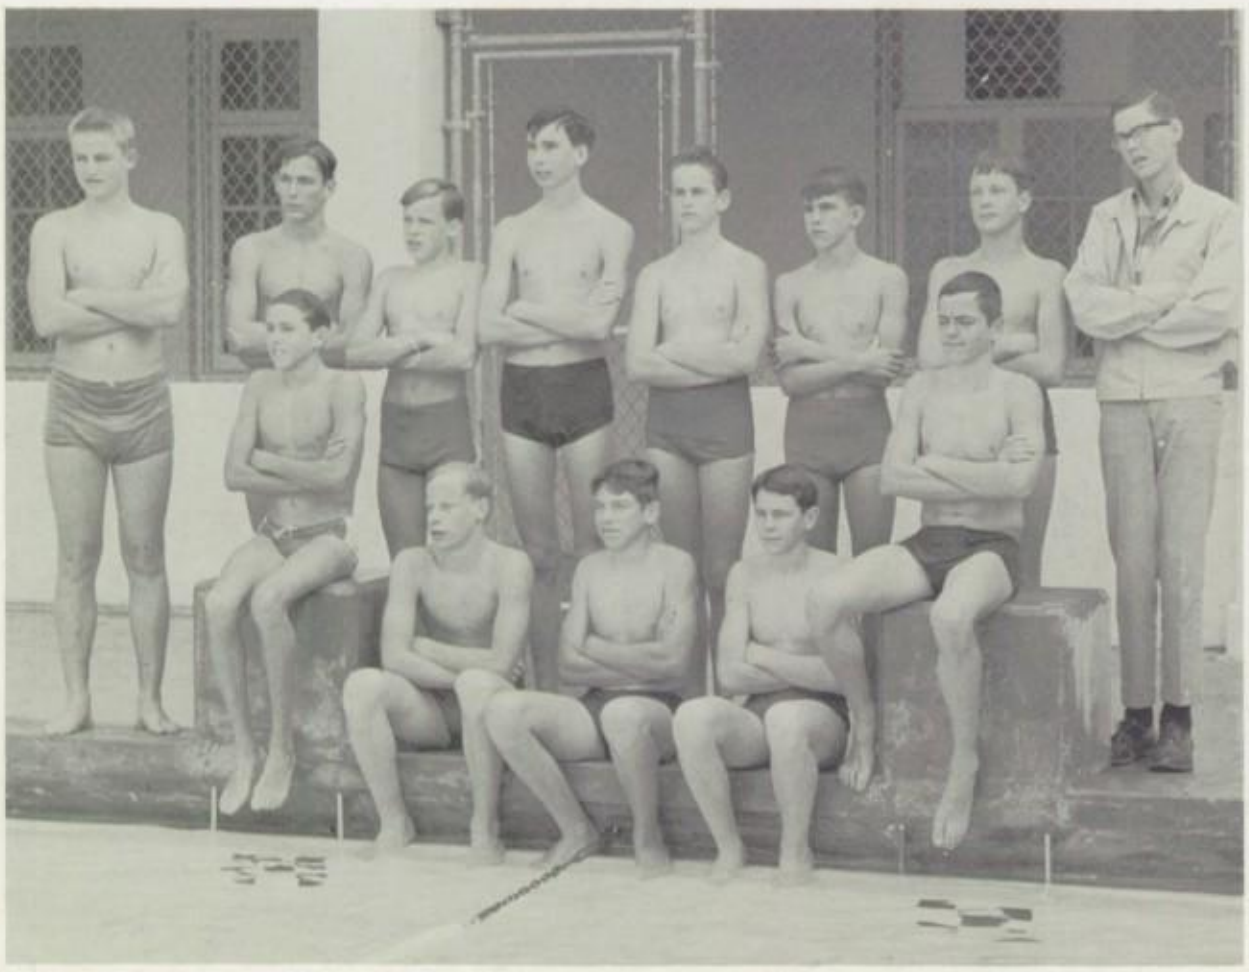
Tom Ostensen was a strong freestyler.

In describing our Bee Swimming team we would have to say that they were least but not last. Because of the elevation to the Varsity team of those Bees with exceptional ability, an average of only 7 or 8 Bee swimmers was left to "hold the fort." Though few in number yet strong in quality, the Bee's were able to make a fine showing in their meets, and promise Fullerton with a top team in years to come.



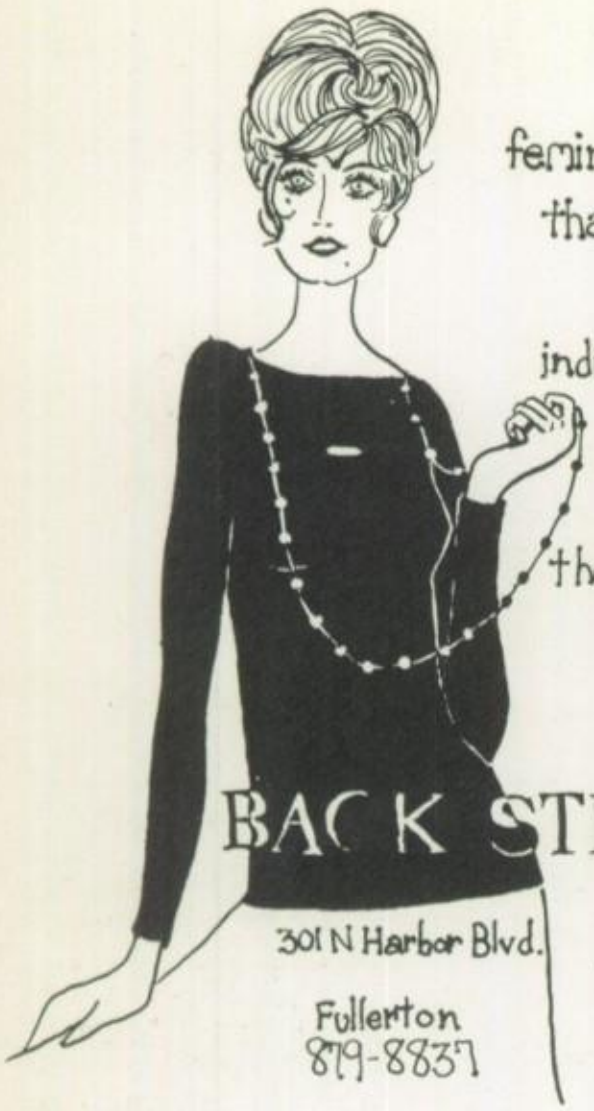
Mike Nolan and Mike Rhodes awaited Bob Burmeister's finish.

Cee Swimming



FRONT ROW: Paul Davis, Tim Watson, Mark Kazebe, Bret Harris, David Innis. ROW 2: Tom Davis, Steve Beckham, Paul Safford, Bob Waltz, Richard Cech, Lorin Kerns, Gary Brown, Norman High.

The Cee Swim team didn't enjoy the great success which had blessed the Varsity and Bee teams. Comprised mostly of Freshman and Sophomores, lack of previous experience and conditioning contributed to this year's mediocre performance. Coaching and conditioning worked miracles, however, and these young swimmers pulled their times down well enough to win their share of meets. Hopes are that they will improve as much next year as they have done this year.



Gil Meador and Norma Modesett wished that they had a vette like this one.

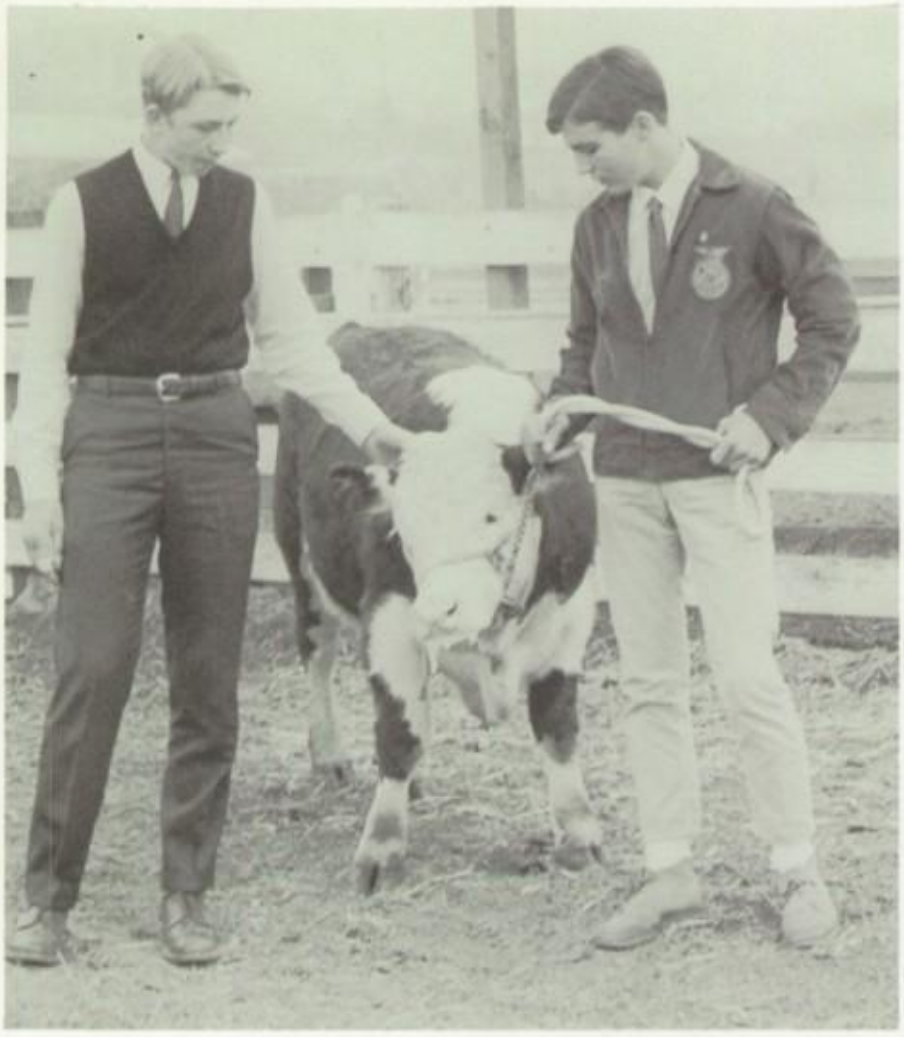
Future Farmers



Howard Miller and Mitch Mead wondered how much money they would get for this steer at the County Fair.

The Future Farmers of America participated in many activities this year. Among these were the Orange County citrus judging finals, the Los Angeles County Fair for livestock, dairy, and horticulture judging, the Bank of America field day for livestock judging, and the Orange Coast judging contest. They were on the television program, Agriculture U.S.A., on December 11. They competed with another school and they won first place.

The purpose of the Future Teachers of America is to acquaint members with all the aspects of teaching and to further encourage a future of teaching. Both Future Teachers and Raymond School students learned a few things.

This year's spring play was concerned with the ups and downs of a typical, immigrant Norwegian family in America. Under the direction of Mr. Peters, the Drama Department displayed their skill and knowledge in a play by John Van Druten entitled *I Remember Mama*. Though the play was scheduled the same night as CIF basketball, the turnout was favorable and the evening enoyed by all.

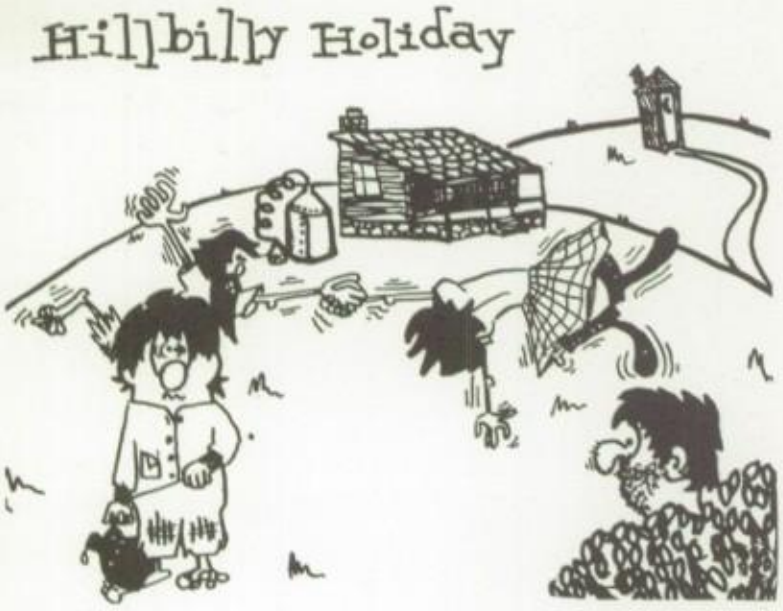
Girl Date



Refreshments were served to thirsty hillbillys.

Couples were married by Mr. Daniels, "Marryin' Sam."

Grubby was the dress and the girls paid. Sponsored by AWS, Hillbilly holiday was teamed with Hush Day, the Friday before the dance. This was a terrible, silent day, when boys snuck up on girls and asked what time is was just so they could get a hush ticket. Doug Baar was obviously the master at his trade because he was crowned Mr. Flirtation, Saturday night at the dance.

Couples danced to the music of The Saints.

Pictures were taken in an authentic "Tullieville" setting.

Their Royal Highnesses, Jeff Nygren and Chryssa MacCutcheon.

Amidst pink flowers, streamers, and a shimmering Indian sunset, the radiant queen and attendants, the handsome king and bouyant Willie Ugh reigned over the 1966 Pow Wow Dance. The Court, accompanied by the Tempos and approximately 120 F.U.H.S. couples, made the Pow Wow dance a success in the true Indian tradition.

Coup

This year Pow Wow aroused an extra amount of interest. Through the years, the policy of the election conduct had become very slack. The 1966 Pow Wow elections brought an end to this! For the first time, the student court put their foot down and strictly enforced the often abused rules. Through their enforcement, two candidates were disqualified. This, coupled with a tie in the first attempt, caused a re-election for queen. This worked to enforce the rules of the student body.

Music by the Tempos set the mood for Indian Sunset.

If you attended a Biology Club meeting you probably stood up, because as the membership approached the 100 mark, the number of chairs in the meeting room remained about 30. Field trips were more comfortable though, and the Biology Club took several during the year. The biggest effort of the year was the Biological Careers Day held on Saturday when members received vocational guidance in the field they chose. Exciting meetings were held regularly, where members learned through demonstrations and lab activities.

Learning about changing your appearance through plastic surgery, or changing your life through hypnosis, were some of the activities offered to the members of the Student Medical Society. With able leadership by Jim Mayfield, this club planned several successful activities for the year. Among these was a Health Career Conference held at Santa Ana College, at which members learned about the vocational opportunities in the field of health.

After each tournament, awarding the "ouija" and "shaft" to the best speaker and worst speaker respectively, was a Forensic Club tradition.

When asked how he would summarize the year's activities, President of the Forensic Club, Richard Stack, had only this to say, "I'm speechless!" This could hardly be true, as shown by the numerous trophies that Richard and the other members of the speech squad accumulated this year. But the speaking did not end with the tournaments; great discussions were carried on far into the night at Giovanni's. The culmination and highlight of the year was the banquet held in honor of this year's fabulous speech team.

Debate

The debaters semed to thrive on lively discussions on a score of topics.

Watching a debate in progress was always a stimulating experience.

"Should the federal government adopt a program of compulsory arbitration in labor-management disputes in basic industries?" This topic was one that the majority of us know little about, and yet it was the "burning question" for this year's debate team. A lot of sweat and a great familiarity with *U.S. News and World Report*, contributed to the outstanding results obtained by this year's squad, in the form of several wins and few losses. Just as our fine athletic teams brought honor to our school, so did this year's hard-working debate team.

We had a very active and busy Junior class this year. They sponsored cupcake sales, See's sucker sales, car washes, the Hi-Neighbor dance, an after-game dance, and a playnight. They sold popcorn at the Costa Mesa and Bolsa Grande football games and sold programs at the Garden Grove football game. These money raising projects financed the prom, for which they had been planning since the early part of the year and which they hoped to be one of the best proms that Fullerton had ever seen. One of the most important things in the lives of the Juniors was the selection, ordering and receiving of their class rings.

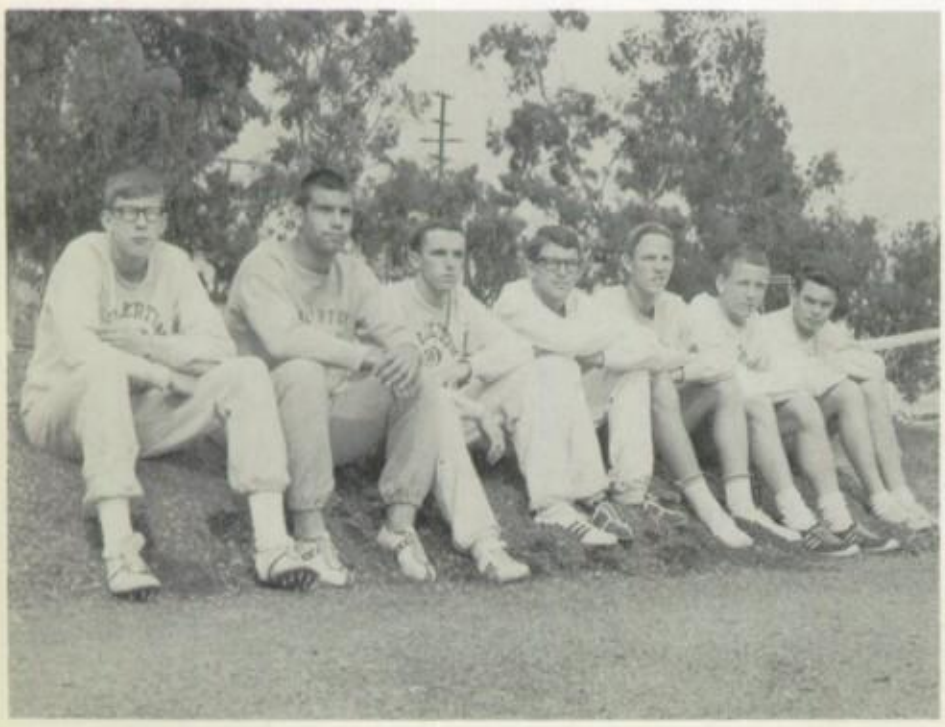
Track

Sparked by hard-working but fun-loving Coach DeGroot, this year's Varsity Track team had a very successful season. With leaders such as Tom "Punky" Lauritsen, who took first in Broad Jump and High Jump in almost every meet, Jack "2 mile" Recla, and Danny "Anchor Man" Maddox, the varsity swept past rival teams. Many opponents feared the lightning fast 880 relay team of Gary Sanders, Jim Gottfried, Mike Gaines, and Danny Maddox. When they did not have trouble passing the baton, these speedsters racked up many first places. Track followers found their heads spinning as so many events occured at once. But these things cleared up as the announcer read off Fullerton's 1st, 2nd, 3rd place of many events.

THE SPRINTERS: Gary Sanders, Jim Gottfried, Mike Gaines, Mike Taylor.

Tom Lauritsen's grotesque facial expression seemed to contribute to his jumping ability.

THE DISTANCE RUNNERS: Wim Vandenberg, Stan Waddell, Jack Recla, Joe Cano, Bert Vandenberg, Al Rivera, Paul Bailey, Roger Brockway, George Spicer, George Fitzgerald.

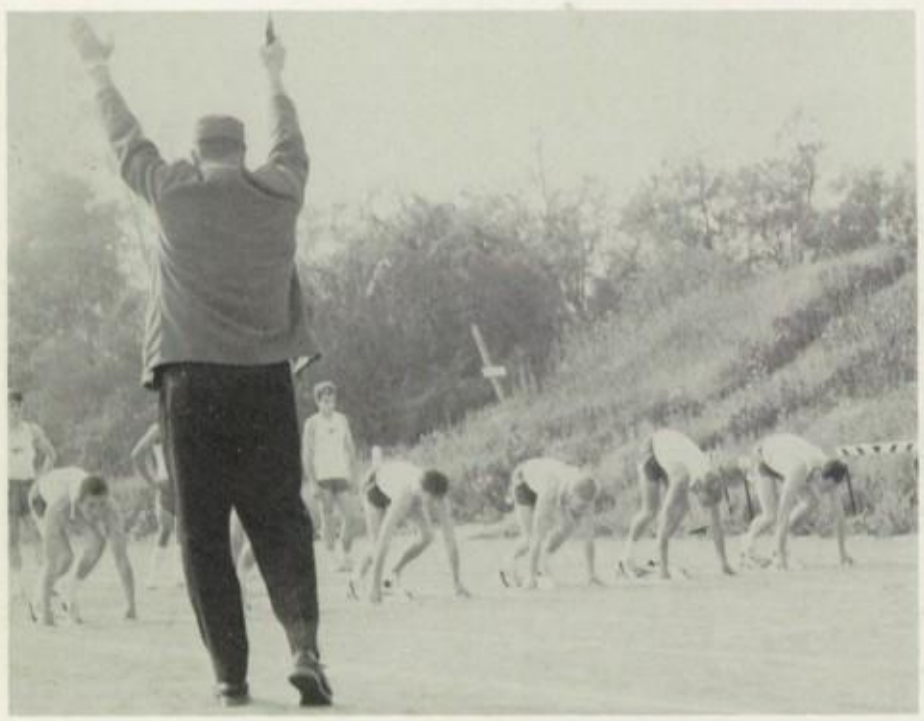


THE HIGH JUMPERS: Scott Wright, Jeff Nygren, Tom Lauritsen, Jim Chapman, Pat Spindle, Dave Brown, Mike Dowser.

THE POLE VAULTERS: Doug Baker, Duke Maravel, Ray Rhey, Randy Faulkner.

Doug Davis and Tom Lauritsen swept another 1st and 2nd in the hurdles.

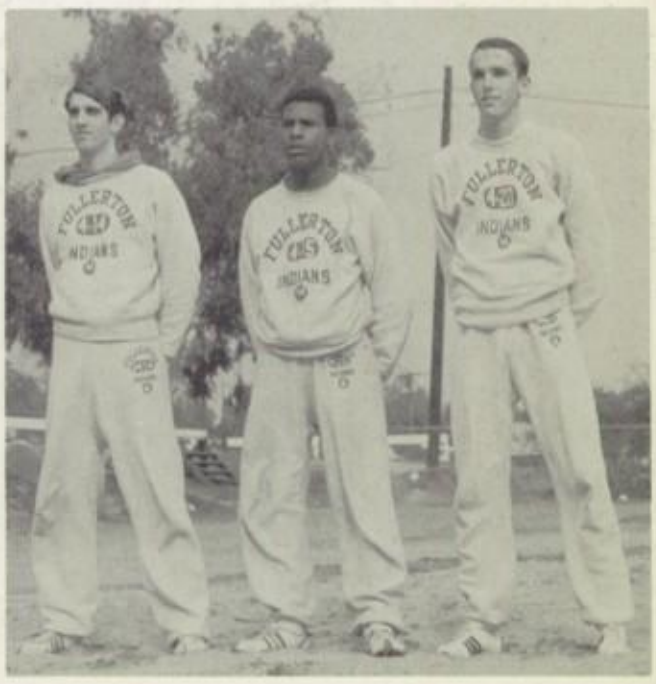
THE HURDLERS: Craig Nordstrom, Chris Haddon, Jackie Parra, Tom Lauritsen, Mack McCoy, Jeff Nygren, Doug Davis.



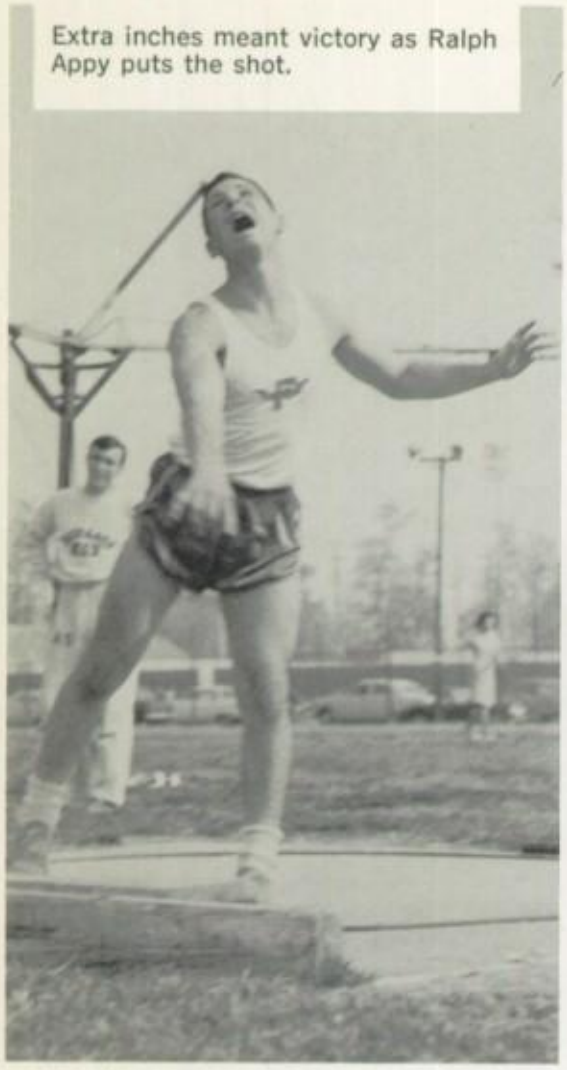
The starter kept an eye on the Fullerton sprinter Danny Maddox picked to win the race.

THE 880 RELAY TEAM: Gary Sanders, Jim Gottfried, Mike Gaines, Duke Maravel.

THE SHOT PUTTERS: Art Pereida, Jim Green, Dan Bowen, Bob Stiles, Earle Ingalls, Fortino Gallo.



THE BROAD JUMPERS: Doug Davis, Mack McCoy, Tom Lauritsen.



Extra inches meant victory as Ralph Appy puts the shot.

Straining every muscle of energy FUHS runners won the race.

Bee Track

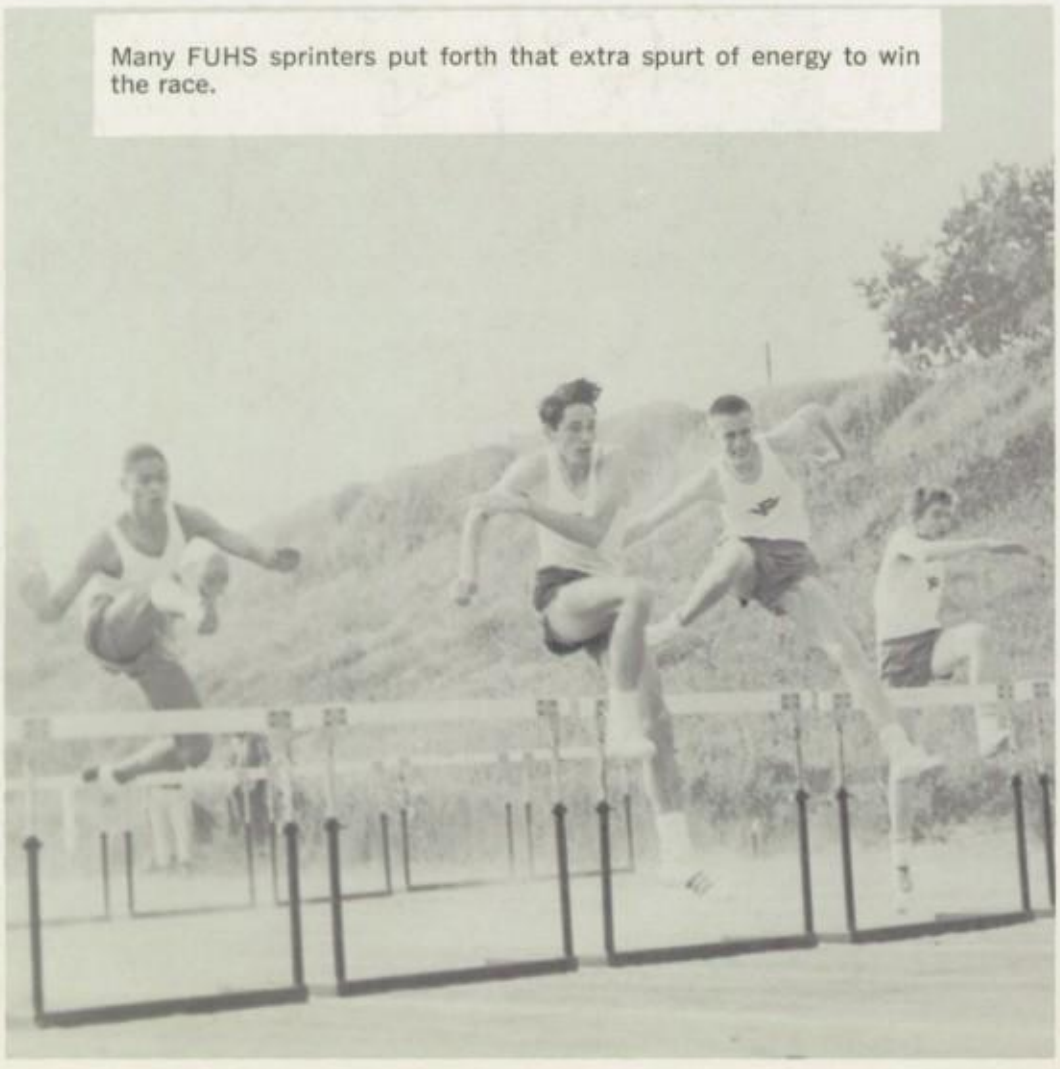
Showing great promise for the coming years, both Bee and Cee track teams had successful seasons. With such leaders as Ralph "Shot-Put" Appy, Roger Brockway, a 2 mile runner, 1320 stars Dick Brotherton and Fred Mercado, the Bee team had a very successful year. Cee track had its stars, too, including sprinter Gary Lankford. These boys and many others showed Coach Degroot that they'll make a great varsity team in the future.

FRONT ROW: Joe Woolery, Bob Fisher, Butch Wynn, Roddy Raub, Ralph Appy, Albert Maravel Randy Rhea, Brad Humenny, Juan Ramino. ROW 2: Mike Dowser, Bob Hornridge, Primo Maravel Randy Reed, Butch Grigsby, Guy Giemont, John Newell, Frank Workman, Joe Snead, Don Evans Jim Gustafson, David Nelson.

FRONT ROW: Dick Brotherton, Luis Benavides, Nick Huffman, Mike Evans, Jerry Kozlowski, Paul Schumacher, Brian French, Mike Miernik. ROW 2: Gary Lankford, Bob Bales, Frank Levoit, Marc Vanderburg, Gary Beaver, Mike Figueroa, Bruce Bogart, Alfonso Mengoza, Fred Mercado, Bob McDonald.

Essentials of perfect timing and a powerful spring make for a successful jump.

Cee Track



Many FUHS sprinters put forth that extra spurt of energy to win the race.

The broad jump is performed with agility and form.

This year Coach Bass fielded one of his greatest squads in hopes of capturing the league title. Although the team was greatly hurt by the loss of key players including Steve Busby, Rick Criner, and Duane Jones, it had great spirit coupled with outstanding talent and was able to make a fine showing. A balanced combination of pulsating pitching, clutch hitting and quick thinking gave the team a decided advantage over its oppressed opponents. With helpful coaching on the sidelines, the boys blistered the basepaths with many stolen bases being recorded this year. See the summer supplement for final season results.

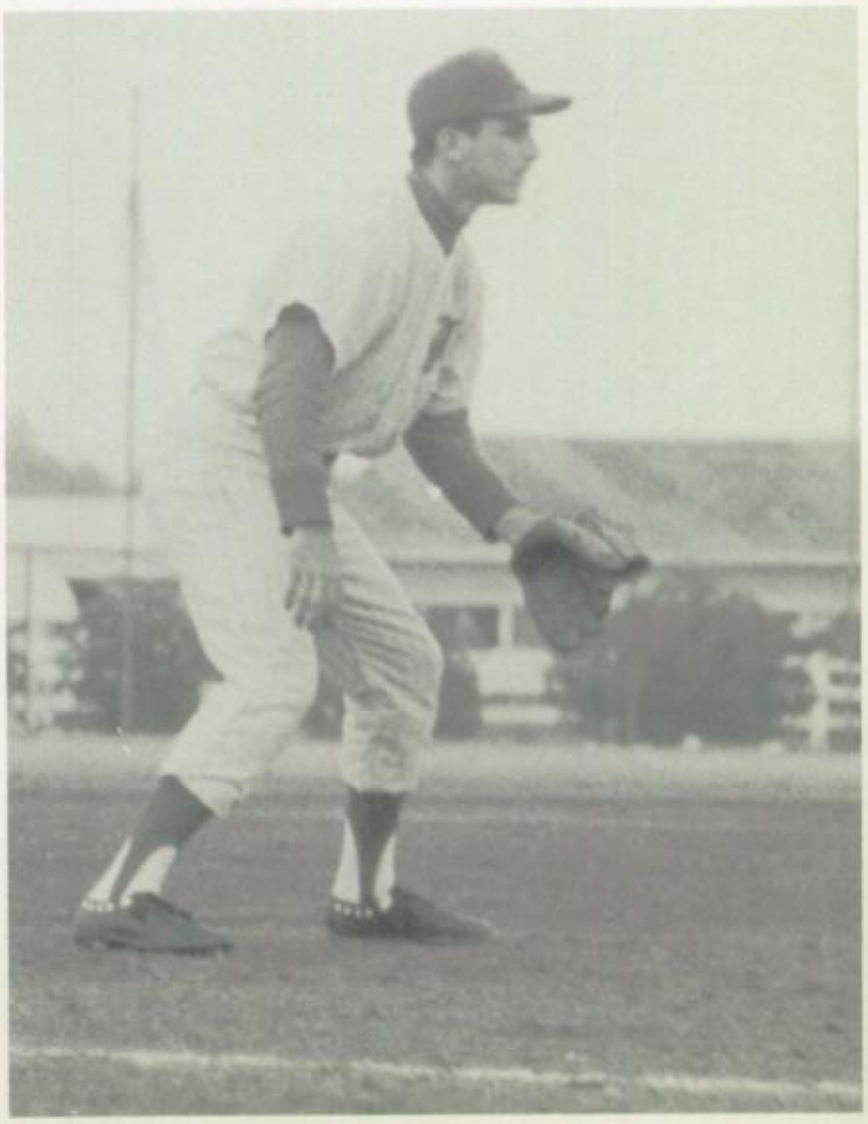
The pitcher, Chris Smith, wound up for a decisive pitch.

Jack Gipson, Mike Murray, and Doug Baar tried in vain to put a Sunny Hills player out at first base.

Varsity Base

The more exciting the baseball game became, the more attentively (?) the boys watched the action.

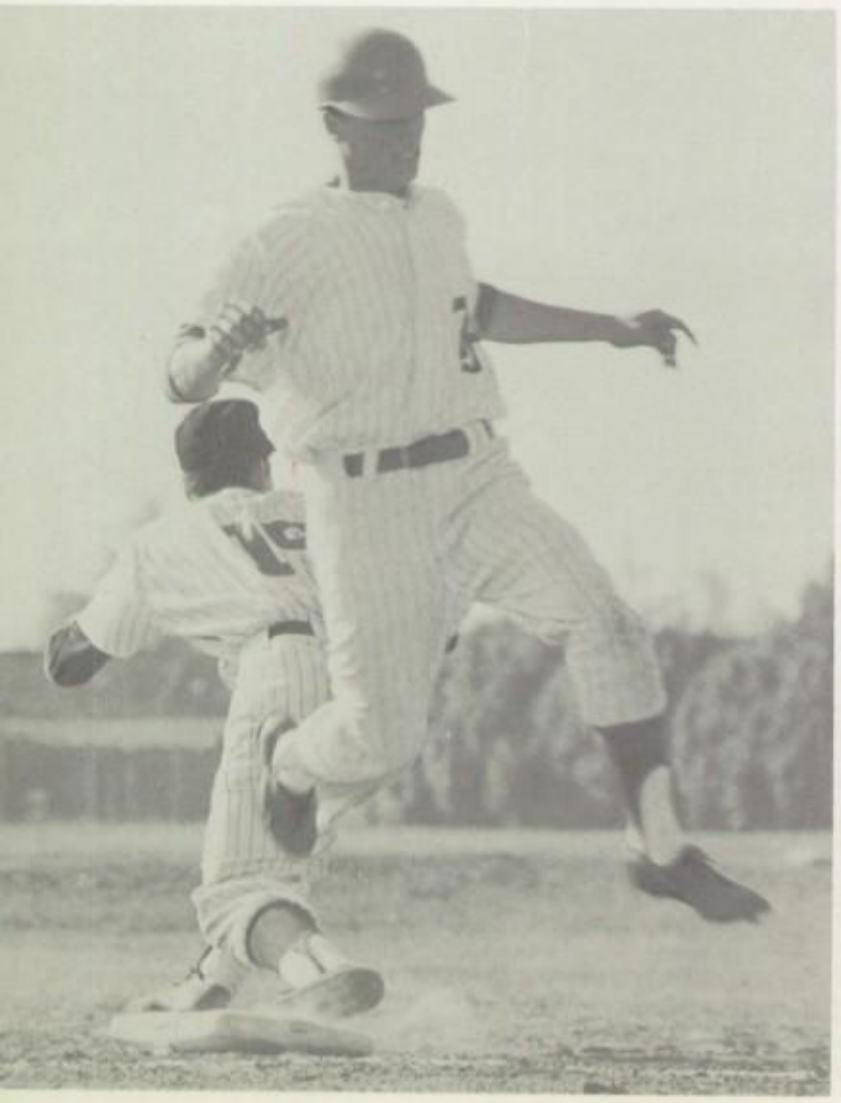


Bill Bales, playing third base, braced himself in anticipation of a hit from an opposing player.

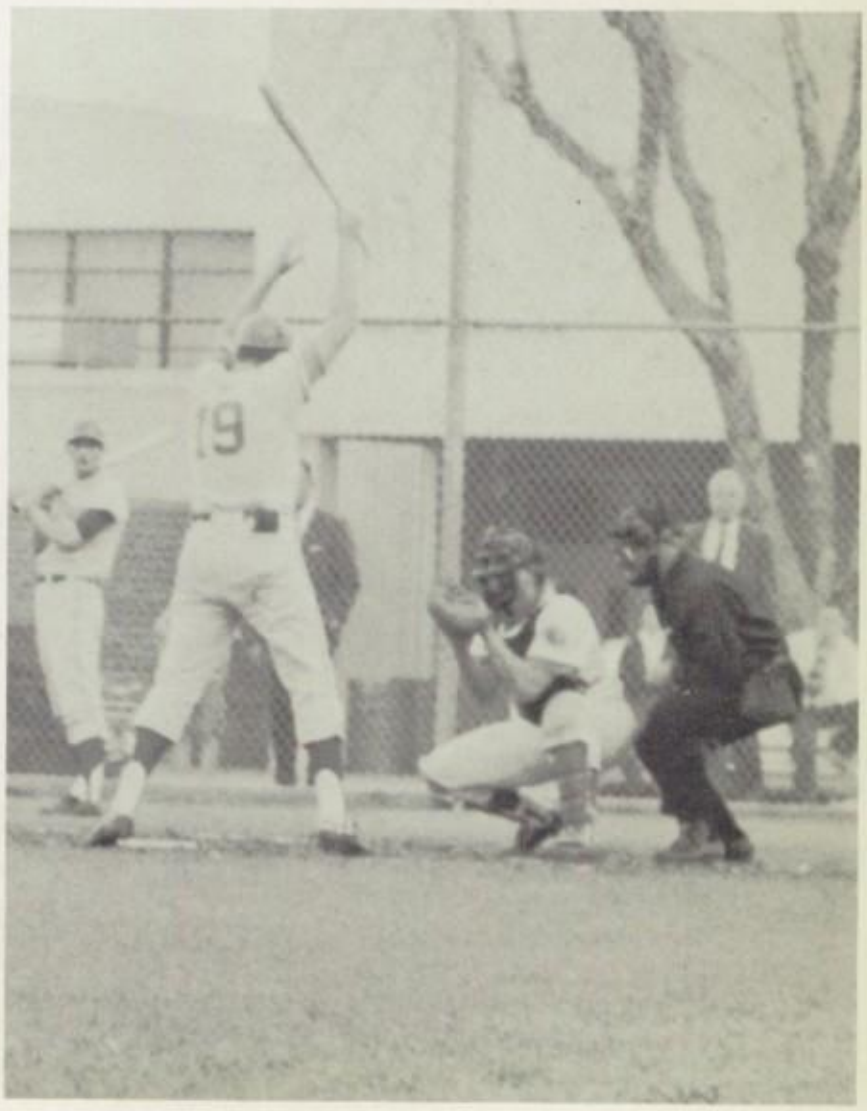
In a crucial moment during the Costa Mesa game, the Indian players held a conference at the pitchers mound.

ball Action

One of FUHS players looked all ready to hit a home run.

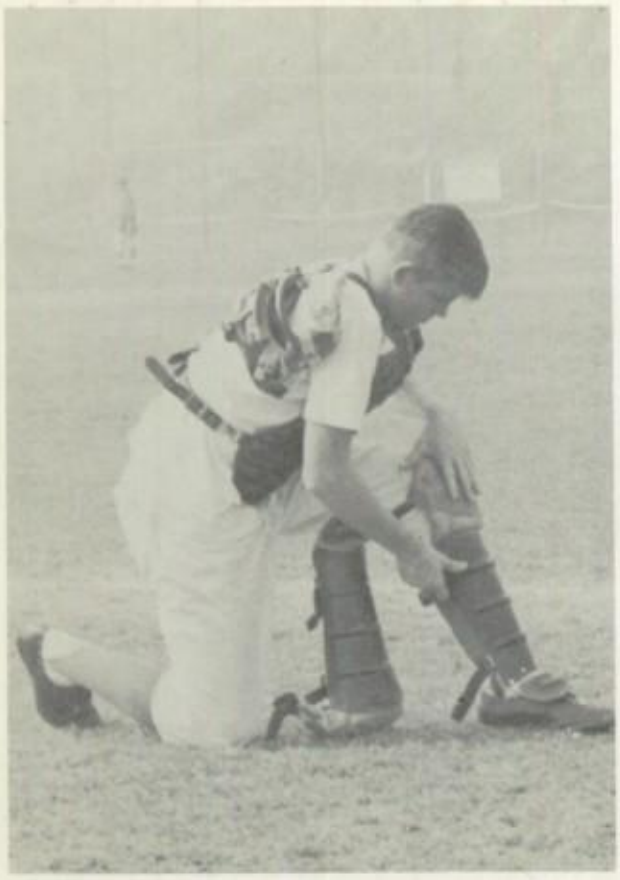


ob Starr safely crossed first base, off a well hit single during the range game.



A wildly pitched ball brought a moment of panic for the batter.

JV Baseball



With all his extra equipment, the catcher almost always was the last man on the field.

During a practice game, Charlie Drew punched a line drive thru the pitcher's mound.

As the team looked on, an Indian player connected for a base hit.

Mr. Gibby once again left his gymnastics and donned the uniform of the J.V. baseball coach. As the season progressed many of the more skilled J.V. baseball boys were promoted to Varsity. The remaining players did a great job in winning many close contests in league play. Next year's varsity team will be blessed with these talented J.V.'s.

Any boy who earned a Varsity letter in sports was eligible for membership in the Varsity Club. This year the boys' activities included sponsoring the annual Red and White Game and that ever-famous Donkey Basketball Game. One of the club's main goals is to promote good sportsmanship and participation. This goal was certainly reached this year.

Volleyball

Team effort helped win the game for the Freshmen.

The always popular sport of GAA Volleyball, third quarter, again brought many energetic girls to the courts. Passing their skills and experiences on to the girls, manager, Linda Banderas, and advisor, Miss Ford, encouraged many practice hours resulting in victories for our volleyball teams. In beating Sunny Hills, their greatest rival, they showed their ability for the game. They also went on to win many more tournaments.

Badminton

Miss Ford

The exciting and fast-moving game of badminton interested many participants this year. Getting the practice needed for expert serving, and fore-hand and back-hand returns was the responsibility of each girl. Yet with the help of the advisor, Miss Ford, and the manager, Jeanne Thompson, all soon became skilled in these fields too.

Our honor group known as the Pleiads, is one of the oldest chapters in the state, having been established over forty years ago here at FUHS.

The purpose of the Pleiads is to foster a higher standard of service on the part of the students.

To become a member of this group, there are certain requirements that each student must meet. One must have a total of ten honor points, acquired by receiving three A's and a B on the semester report card. Physical Education grades do not count, but the requirements must be met in this course. In order to become a Life Member of CSF, the individual must maintain these standards for at least four or more semesters, including one in their senior year.

This year our school was honored to have twenty-three California Scholarship Federation Life Members. We would like to congratulate our Life Members on their fine accomplishments, and wish them luck for future success.

This Book Is Dedicated to All Those Who Tread the Sacred Cement of Senior Corner - Legally

When you first planted your feet on that holy stone last fall, you felt as if you could command the mountains to bow before you. You said that your class would have more spirit, do greater deeds and reach loftier heights than any other Senior class that had been or would be. But this was not unusual. Every Senior class since the first plague of Senioritis had claimed to be "THE BEST." The thing that distinguished you was that—you were.

Yours was the largest class to ever attend F.U.H.S. and your graduation has left a large gap. This gap is not simply a result of the physical loss, however, it will be felt in all aspects of school life, athletics, social activities, academics, and government. It was your student government and class council which dared initiate projects such as the controversial Activities Period, Pictorial Personnel Project and Senior Days. Above all, it was your ceaseless enthusiasm and support which made these projects, and for that matter, the whole year an unprecedented success.

Is it any wonder then, that this book of memories of 1966 has been dedicated to each and to all of you? Farewell Seniors and may you always keep the Pleiades as your lucky stars.

The sparkling and vivacious Limey and his boys entertained at the KHJ Boss Battle of the Bands held as a Senior Assembly.

Dear Senior—

As we look back upon the year of 1965-1966, we can be satisfied that ours has been a job well done. Others have claimed that theirs was the best class ever, and we won't disappoint tradition by failing to make that claim, too. However, ours is not an idle statement, for we can look at the spirit of loyalty, cooperation, and innovation which has made this educational experience an unforgettable one, and realize that we will be known more for what has been done rather than what we have said.

For the first time in twelve years, a class had the fortitude to attempt something as revolutionary as Senior Days 1966. Who can forget eating an early breakfast, rollicking to the sounds of Limey and the Yanks, (of which ours was the very first KHJ Boss Battle) or playing volleyball, watching the pie eating contest, avoiding the mud at the tug-of-war, and enjoying our own Senior Section at the basketball game during our Field Day and Senior Barbeque? Certainly the opportunity to stage Senior Days was a great one, and we should be duly proud to have been the originators of such an unusual and exciting "first." Our unusually successful playnite, resulting from our use of such otherwise unused equipment as the trampoline, swinging rings, and the performance of the Blazers were further proofs of our willingness to be different in our approaches to what might have otherwise been a very mundane year. The presentation of a much-needed gift to the school, which was our way of saying, "thank you." Graduation night, and our trip to Catalina as guests of the PTA, served to be fitting climaxes for an outstanding year.

I appreciate the chance to thank all of you for giving me the opportunity to share this great experience with you. So until our reunion in 1991, good luck and God bless you.

Sincerely,

Doug Young

As seniors we strove to gain one last bit of knowledge before leaving our bright spotlight at F.U.H.S. and entering the shadows of the universe.

LARRY,
ALGEBRA II WAS
KIND OF A DRAG THIS
YEAR— BUT DON'T WORRY
BECAUSE NEXT YEAR "BART"
REDFERN WILL KEEP YOU BUSY
WITH TRIG. & Col. MATH. GOOD LUCK
WITH HIM, YOU'LL NEED IT AND DON'T
ROCK OUT EVERY NIGHT THIS SUMMER. GOOD
LUCK IN the future. See You Around

Friend of F.U.H.S. Athletic Teams

1966 has truly been a great year at Fullerton Union High School. I don't believe any high school has ever seen a more interesting and varied amount of activities. We have tried to cover all of these things in the Annual PLEIADES and I would like to take this opportunity to thank each and every one of you who made all this possible. Special thanks are due to:

R. W. Pischel, our cooperative publisher, Marion Willet, our infinitely patient and competent photographer, Stu Haynie, our student photographer, and contributing photographer Vince Bergan . . .

Dr. Slocum for his excellent photographic skills, as evidenced by the spectacular PPP . . .

Jim Moar, Jim Kay and the entire student body, faculty and administration who gave life to PPP . . .

Mrs. Dunham and Mrs. Morken of the classified staff for their special interest and cooperation . . .

Mr. Daniels for cramming himself into a trash can in order to receive the honor of being crowned Litter King . . .

Jane Watten, Doug Young, Judy Ford and Eric Taylor, who finally put in appearances at 11:00 at the Pow Wow dance, after a long dinner . . .

Mr. Bowen, Mr. Logan, the P.T.A. and the numerous other people who organized senior activities, from "Boss" Battles to Baccalaureate . . .

The faculty advisors for "general" jovial cooperation . . .

The student body for your eager anticipation to see your angelic faces in print, and also for buying your copy of the PLEIADES . . .

And last but not least, to the 23 students on the staff of the Annual PLEIADES who worked long and hard and earnestly to make this the best annual within their power . . .

To these and many, many more go my whole-hearted thanks.

We hope you enjoy this yearbook and that it serves the purpose we had in mind, to provide an everlasting memory of the 1965-66 school year at FUHS.

Many of you will also enjoy, we hope, the summer supplement. It was because we wished for some way to provide you with real pictures of events such as Prom, Beachcombers' Ball, Commencement, Baccalaureate, graduation party, and spring sports, that we decided to do a supplement. The supplement will be mailed to you at the end of July. It will consist of 16 pages, full color, spot color, and a sticky strip of tape which will allow it to be stuck to the back page of your book.

Thank you,

Connie Atkins

Swimming 1st Place (CIF 1st Place!)
Water Polo 1st Place

FOUR IN A ROW! FANTASTIC! But it's true. The Fullerton Swim Team won CIF finals for the fourth year in a row! Sparked by All-Americans Spike Burnett, Andy Strenk, Terry Allen, Dan Stunkard, Chip O'Rourke, and Dalton Maurin, the Fullerton Fish won the finals 40-38 over Corona Del Mar. Sophomore Ricky Massimino also helped lead the Indians to victory. The most valuable player award went to Andy Strenk and Dan Stunkard, while Spike Burnett got the most inspirational award. The school should be very proud of their excellent Swim Team. We'll miss Coach Arth as he moves to Rio Hondo Jr. College.

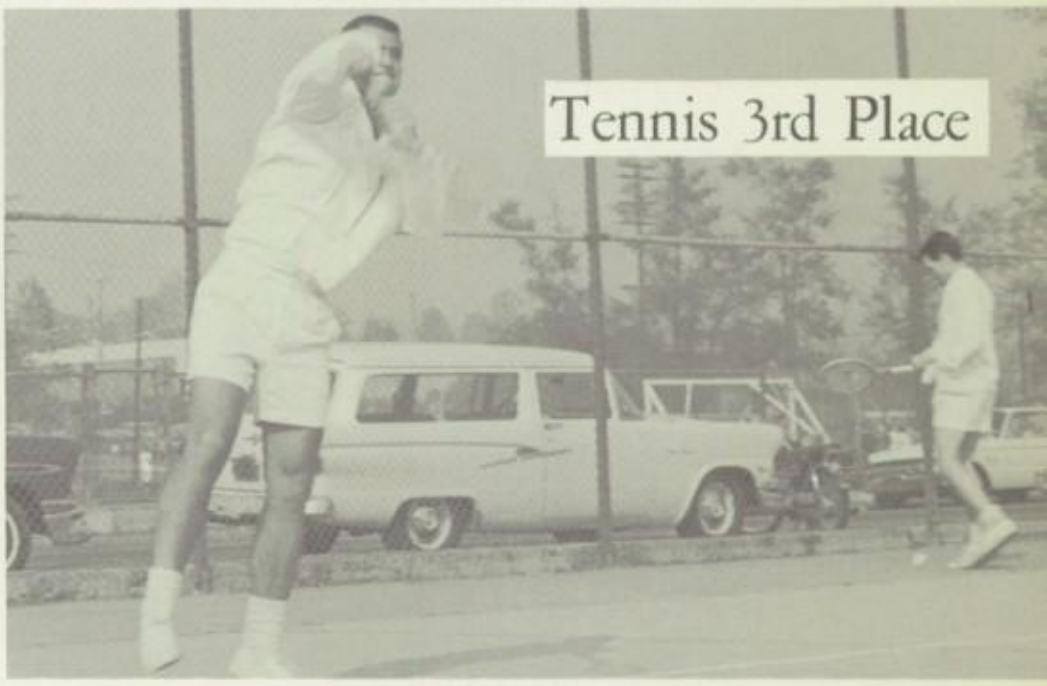
Basketball 1st Place

In 1966 CIF tennis competition Fullerton fared very well. Senior MVP Mike Hobson won the varsity finals in individual action. Indian netman John Wright, a sophomore, won the singles championship for C's in CIF play. See pages 138-139.



Tennis 3rd Place

The baseball team with many unfortunate injuries came through with a great 2nd place league finish. The season standings wasn't decided until the final game as Buena Park beat us 7-3. In the first CIF round the Indians ran up against some tough pitching from Pacific High School in San Bernardino and lost 4-1. Mike Cleveland, pitching for FUHS allowed only 5 hits but we still lost. Unpictured: Ken Walters, Rick Criner. Rick recovered quickly from his automobile accident and was able to return to school.

Warriors performed ancient tribal dances while sacred rites were re-enacted in the primitive atmosphere enhanced by the hypnotic sound of the "Electras." These "Adventures in Paradise" were executed under the benign reign of Mr. and Miss B. Comber, Don Rhodes and Jane Klasustermeyer. Prom

The Senior Party, a nautical trip, inspired the choice of the theme, Bon Voyage, for this year's Junior-Senior Prom. The Junior Class transformed the Fullerton Ebell Club into a Blue and White Catalina - bound steamship filled with dancing and delight.

Bon Voyage

Embarking on a heavenly cruise, the couples boarded the ship via the gangway.

Four years at Fullerton Union High School will be an experience not easily forgotten. As a Freshman, you were confused, a "stranger in a foreign land,"—timid and unsure. In fact, you felt as if you really didn't "belong" to the mad whirl of activities, and what seemed to be the "in" groups.

As a Sophomore, you became more aware of your role in high school life. You began to explore the possibilities of participation in clubs and social events.

As you continue, in your Junior year you commenced to formulate plans for your life after high school.

And then, suddenly, you reached the ultimate! At long last you could plant your feet on that famed corner, without the fear of being tossed in the nearest trashcan or tied to the nearest tree. And what a year! Hectic, yet wildly enjoyable!

Now the long-awaited Senior year is a memory, as are all four years of athletics, classes, social events. For some they ended with a sigh of relief, but for many a tear of regret followed. That once struggling freshman is now a graduate, and *maybe* even wishes he was that Freshman again . . .
